presented
residents of
Radiant Care
Tabor Manor Long
Term Care Home
with personalized
Life Story Books
on Monday April
the 2nd at the open
house style event.

The process of
writing these
stories is a
wonderful
validation for
everyone involved.
These books are
also an excellent
Montessori tool for
residents living
with dementia,
their families and
care giving team.

Thank you to the
students and
residents who were
involved in this
program!

Biblically Based—Jim Evans

Years ago, I was driving to a meeting and ran out of gas. My cell phone also died! I coasted up an exit ramp, and started to walk to find gas. Out of nowhere, a car pulled up alongside me and offered to help. I told him, I needed gas. He said he would get gas and meet me back at the car. In no time at all he was back with a can of gas, got me started up, and let me use his phone to call ahead to my meeting. And, he would not take any money from me for it! I thanked him, and off he went. He was my roadside angel that day!

He reminded me of the example of Jesus who, 'went about doing good' for others! (Acts 10:38). Like Jesus, and my roadside friend, let's always be willing to show God's kindness, and do good for others, in Jesus' Name.

Ask yourself, '*Who needs my help today!*'

We celebrated our volunteers on April 5th—our Home would not be the same without them! Did you know there are about 125 volunteers here at Tabor Manor and they served over 5,647 hours in 2017! If you would like to join our volunteer team—contact Sherri for more information at extension 1063.

hands for a short while,
but their hearts forever."*

Dietary's Dish—Cassandra Anderson

Happy Spring! In May, we get to celebrate all of the lovely mother's out there. We will be having a Mother's Day luncheon on Sunday May 13th, where residents will be enjoying roast beef with mashed potatoes and glazed turnips, or vegetable lasagna with sliced carrots. For dessert, we will be offering strawberry shortcake or a hot fruit compote.
