## Preacher's Ponderings

June in the Church Calendar is considered part of "ordinary time" or "proper time" and is section within the church in which there are no special events such as Advent or Lent. Yet this is a time that should be anything but ordinary. Leading to this moment have been the Ascension of Jesus, Pentecost and celebration of the Trinity – a time to reflect on what Jesus has and continues to do in the world. But now it is time for us to join Jesus in his work. Because and through the empowering of the Spirit, the blessings we have received we share with others. As John says, what we have seen and heard we pass on to others that they may also have fellowship with Christ and the church. (1 John 1:3). We may move through the month of June extending the blessing of Jesus to those around us.

## Maintenance Muse

It's been a very busy spring in the maintenance department, from the regular maintenance requests, to the many preventative maintenance duties that come due in the spring. The grass and gardens have sprung to life and we are busy trying to stay on top of that work. With all of that said, Spring is still my favorite time of the year. The hot weather is here, and the air conditioners are working hard, just a reminder to try and stay cool and drink enough water to stay hydrated. Hope you all have a nice final few weeks of spring and a good summer.

## Recreation's Rant

**FARM DAY!** –June 16 – we would love to have you and your family join us for this fun filled day! Lots of exciting things happening this year, including pony rides, jump and bounce for the kids – Invite your whole family – there's something for everyone! Also **volunteers are needed** for the day – please let me know if you are interested in helping in any way.

Please join us on June 13<sup>th</sup> at 10:30am in Heritage Place for a performance presentation by Essential Collective Theatre, sharing "Senior's Stories".

## Megan's Muttering

In my opinion, FARM DAY is the best day of the year at Radiant Care! I love having the opportunity to meet all your family and friends and enjoy the fresh air together. I love seeing the small children and the joy they get at the pony rides and bouncy castle. And I of course love all the delicious food! I hope you will all come out, if only to cheer on Christine and I as we battle to keep our title as the champions of the corn on the cob eating race!

## Karen's Korner

Happy June Everyone!

During the month of May, the Activation Restoration: Convalescent Care team has supported four people to strengthen and regain independence to return home. We have said we will miss you to a few of our Heritage Place family and have welcomed some new residents to our home. June is one of my favourite months – two of my children have birthdays this month, and it is dance recital season – this is when all the training and hard work come together as they showcase their talents. Likewise, Radiant Care promotes education and training which helps refine skills so that we can all serve with Excellence! Several staff continue with Palliative care and Dementia care programs. All staff are working toward completion of annual training– so far more than 50% of Nursing department staff have completed their online training! If you have a chance, ask staff members about what they have been learning as they train online and in classes.
