## Preachers Ponderings

We have now entered the season of Lent and March will encompass most of it. Long and drawn out it can make this warming season tedious and tiresome. Unlike Advent, which we race through with the busyness, the lights, the presents and foods of Christmas, in Lent we reflect more on our brokenness, repentance, humility and need for God. But just as winter begins to fade away along with the snow, and as the sun warms the earth with a promise of coming color, so does this season lead into the celebration of resurrection; of life from death. May we be encouraged to remain strong and to persevere together for our God is with us. ~ Mike

## Megan's Muttering

All my life I have been a firm believer of the old saying "In like a Lamb, out like a Lion" when it comes to the month of March. February threatened to be cold (and it was!) and the groundhog told us it would be another 6 weeks of winter. But we have been lucky, and the weather has really warmed up. You can feel the start of spring in the air.

So maybe since the groundhog was wrong, we can hope that the 'March Lion' will be chased away by warm and sunny days!

## Maintenance Muse

All is well in Maintenance. We too, have certainly had enough of winter. We want to thank you for your patience this winter, we have tried to remove the snow and get salt down as soon as possible.

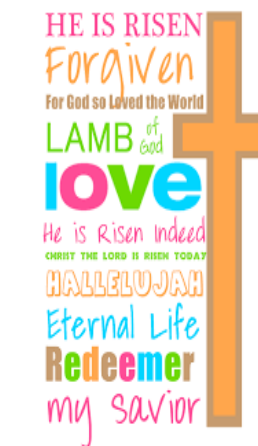

With the days getting longer we are looking forward to spring! With that being said, winter is not completely finished, so please take extra caution when walking to and from the buildings. Thanks.

Don't forget to move your clocks forward an hour on Sunday, March 11th at 2:00am

## Calendar Highlights

March 5th – Catholic Mass – OV Chapel

## Recreation Review

As we say goodbye to February, we reflect on the month... despite our home experiencing respiratory outbreaks, the residents were able to enjoy a variety of special programs. These included taking part in our Winter Olympic themed activities; Valentine's social hosted by our Ladies Auxiliary, and special luncheon prepared by Chelsea and Shaina. A group of tenants enjoyed attending the production of the Addams' Family at Laura Secord High School. This month we will enjoy a visit from Hands on Exotic Animals on March 19<sup>th</sup>, please feel free to join us!! Come enjoy fellowship over a cup of tea and a plate of baked goods on Saturday, March 24<sup>th</sup> at our Annual Ladies Auxiliary Spring Tea & Bake Sale.
