## Biblically Based— Jim Evans

Once when I was driving through downtown Toronto, I passed a large billboard church sign that said, *'Jesus Is Coming!'* The sign also said 'Call Jim', and then the church's phone number. I smiled at both, the truth that 'Jesus is Coming Again', and, the encouragement to call Jim, as if he seemed to know when!

Just like that billboard sign, the Easter season always reminds that Jesus did come into the world 'to seek and to save those who are lost', and to 'save His people from their sins!' (Luke 19:10; Matt. 1:21). And, just like that sign, Scripture reminds us of Jesus' promise that one day, and we don't know when, He will come again for those who have responded to His first coming in repentance and faith! (John 14:3) Friends, make sure you're ready, the sign was right! *Jesus Is Coming!*

## Dietary's Dish—Cassandra Anderson

"Now that spring is here (or hopefully around the corner), we can start to see an abundance of fresh fruits and vegetables as the gardens are starting to come alive after this long winter. Eating with the seasons helps keep our meals varied and interesting. It also helps to ensure that we are getting a balance of the nutrients our bodies need. I encourage everyone to get outside and help out with the gardens this spring at Radiant Care Tabor Manor, so you can enjoy some of the foods that you have helped grow!"
