Strawberries	Bouncy Castle
Corn on the Cob	Games

Featuring Live Music by Marty Allen Band

Bring along your own lawn chair!

June seems to elicit a natural excitement. Whether we are dreaming of summer days, getting out into the fresh air, planting gardens, or just feeling a little more freedom from our regular routine there is certainly a lightness in our steps and a smile on our faces. We have survived another winter and our summer is packed with plans to make sure we enjoy every ounce of summer possible! Be sure to join us for Heritage Day—located by 1 Tabor—it is an event not to be missed! Family and friends are invited to spend the day with their loved ones—bring the whole family!

Mayor Walter Sendzik handing out flowers to a few lucky ladies for Mother's Day!

Dietary's Dish—Amelie Robert

It's Summer here, at Radiant Care Tabor Manor, and I'm sure I'm not the only one excited for the warm weather! Now that the sun is shining bright and strong, it's a good idea to stay well hydrated (indoors and outdoors). While water is the best choice, here are some fruit and vegetables that will help keep your hydration up: watermelons, strawberries, pineapples and bananas; cucumbers, lettuce and cabbage, spinach and peppers. Enjoy the wonderful times ahead with family and friends!

"All of my life, in every season, you are still God."

**Strawberry & Ice Cream Social
with musical guest Brad Boland
Tuesday June the 19th at 3:00pm
In the courtyard**

Notes from the Recreation Desk—Sherri Davis

THANK YOU to all of our loyal Perishky supporters—Heritage Day is the last day that these homemade treats are available for purchase until the fall! We sincerely appreciate your support and the funds raised are used for special events and programs planned by our recreation department.

We are planting our gardens early June and hope that you will enjoy the "veggies" of our labour! Be sure to take a stroll out in the gardens, enjoy the sun and shade and don't be afraid to pull a weed or two!

Be sure to mark your calendars for Saturday June 9th for Heritage Day and Tuesday June the 19th for our Strawberry Social with Brad Boland!
