

Radiant Care Pleasant Manor

Recreation Review

Happy Summer all!!! We hope you were able to enjoy Farm Day, it was a wonderful day full of fun. We have some exciting events lined up for you in the next couple of months – make sure you don't miss anything! We have a musical event happening this month on Monday, July 23 at 6:30pm the Niagara Falls Concert band will be performing on the lawn in front of Creekview again. Invite your families too! Remember to bring a lawn chair. We have a bus trip planned for Happy Rolph's in August, stay tuned for details.

Preacher's Ponderings

July! Already it has come. It just seems like yesterday we were complaining about the coldness of our late spring but now we'll soon be hearing of how hot the days are. The inconsistencies of the weather are mirror opposites of the consistency of God's qualities—his faith, compassion, generosity and the like. How good God is. It's true though, that as we age many of us become less fickle with nature choosing instead to simply adjust as we go. May our attitude towards God and life be the same, to learn to be content with the mystery, the will, and the direction God is taking us.

Megan's Muttering

Summer is the season that we all seem to wait for...and then it goes by so fast! I really do think that life is better when your toes can be free...free to feel the water at the beach or the freshly mown grass. Its reminiscent of our youth and the freedom that comes with summer. I hope these summer months find you happy and healthy! Get out there and soak up a little vitamin D with your friends and family.

Highlights

July 1st – Happy Canada Day!

July 8th - Worship time with Irene & friends HP

July 9th – Resident Council Meeting

July 20th – Music with Mendelt

July 23 – Niagara Concert Band Creekview Lawn

Pleasant Manor Post

July 2018

From the Director's

As I walk around the grounds of Pleasant Manor, I am delighted to see how beautiful our gardens look. Special thanks to Ruth Fast, Lena Neufeld, Linda Fast, George and Heidi Reimer for volunteering and tending to the garden court in Heritage Place. As well as Ingrid Regier and her group of helpers for tending to AV garden court. They look fabulous. I know, also that

many of you have contributed to the beauty of the grounds, through your own planting outside your windows and patios. Whether you have hung a lovely planter, added some blooms outside your patio or simply picked up litter when you saw it, thank you for your efforts! Together we keep our home looking as welcoming as it feels!

Farm Day Fun!
