

Radiant Care Pleasant Manor

Recreation Rant

August has already come and gone but we made the most of it. In Heritage Place, we enjoyed many activities outside including eating watermelon and rollkuchen. We also had fun during 'Camp Week' making S'mores, telling campfire stories, and we even did a bit of 'star gazing' as we reminisced about the times we spent camping. Later in August, we enjoyed more watermelon and rollkuchen in the Link with live music to add to the event. For September, our next theme week will be 'Art Appreciation' which will entail many art themed activities including a 'Resident Art Gala'. The Art Gala will be on Tuesday, September 18th at 6:15 until 6:45 in Heritage Place. All are welcomed to come view the beautiful art work that the residents of Pleasant Manor have created with creativity and expression. The following day on Wednesday, September 19th, family and friends are invited to come join their loved ones at one of our bi-weekly paint parties and paint a picture together.

Preacher's Ponderings

Our lectionary readings for the month of September will take us through the book of James, a book full of wisdom and no-nonsense rules for godly living. September will always be viewed as a start of a new season (perhaps because of its association with a new school year). With any new start, it's good to be reminded of how God calls to live: with perseverance that leads to joy and a

faithfulness perfected in wisdom. But of course, as James reminds us, if we lack wisdom, ask God who gives to all generously and without reproach. The testing of our faith, patience or kindness will continue but let us persevere in order to receive the crown of life which the Lord promises those who love him.

Pleasant Manor Post

September 2018

From the Director's

On September 28th, Pleasant Manor is once again hosting an Alzheimer Coffee Break, taking place in the CV Link. This is such a worthwhile cause, and a fun way to raise money that is used right here in Niagara for the support of those living with Alzheimer's disease and other dementias, and their families. Please join us! Also, once again a BIG thank you to Olga and Alex Neufeld for

offering to assist the Recreation staff on preparing Rollkuchen. Residents and Tenants enjoyed an afternoon social with watermelon and Rollkuchen!! It is the simple and countless ways helping others allows everyone to enjoy, and makes Pleasant Manor an even greater community to live in.

Megan's Muttering – Supportive Housing

They say that change is inevitable. Well, I think most of us would agree with that statement. In Supportive Housing we have wished Good Luck to Tracy as Assistant Coordinator. She has decided to go back to school to further her career.

We are lucky enough to have already found Marie to fill the role! She will be starting just after Labour Day Weekend and I hope you take a minute to stop by and welcome her to the team!
