### **Montessori Moment**

When you think about summer—what first comes to your mind? Is it the taste of ice cream or toasted marshmallows or the smell of the campfire? Is it your favourite music flowing from the radio while cruising in the family car? Is it the sound of children laughing as they jump into the lake or of the boat motor as it slowly approaches the dock as you await the fishing stories from eager fishermen? Do you reminisce about days spent on the farm, harvesting fruit or tending to the animals? Do you have memories of tending gardens, weeding and planting and plotting against the rabbits and squirrels who come in search of food?

These are just a few examples of the sweet joys of life, and we continue to enjoy them through our Montessori Approach. Residents are able to take part on different levels to actively engage in these activities or experience a taste, sound, smell or sight that brings a feeling of familiarity and hopefully joy. So take a stroll in the gardens, help yourself to a Montessori kit or take in a photo album, fresh flowers or a favourite homemade treat—or better yet just hold hands and know that the simple things are often the most important. ~ Sherri

### **Twiddle Muffs**

Knit together with love, these colourful crafts capture attention and inspire inquisitive minds to explore and fingers to travel and enjoy all the bits and pieces. These manipulatives are a great boredom buster!

Thank you to Sandy for knitting and donating them!  
Pick one up and enjoy!

## **Biblically Based—Jim Evans**

The world has just witnessed an amazing event! 12 young boys and coach from a soccer team, were rescued from the dark, flooded cave they were trapped in for over two weeks in Thailand. They were alone and helpless, unable to make it out to safety on their own. Rescuers brought the boys out safely before more rain flooded the tunnels, preventing their rescue. Praise the Lord!

This story reminds us of what Jesus Christ has done for our world, helplessly and hopelessly lost in the darkness of sin! He came into this world, to seek and to save those who are lost, and to set the captives free! (Luke 19:10; 4:18) And He continues to 'save to the uttermost, those who trust in Him for their eternal rescue! (Heb. 7:25) I encourage you today to trust in Jesus Christ as your Saviour and Lord, and He will rescue you too! And, if He has, thank Him for His amazing grace!

## **Recreation Notes—Sherri Davis**

We are so excited about August—we are celebrating summer with gusto! The Farmer's Market (Wednesday Aug 8th) will offer local fruits and veggies for tasting and an authentic market feel. Dave Burden (Friday Aug 17th) is coming to croon as we enjoy fresh local peaches and ice cream of course! Since we could not find a bus big enough for everyone to go out to the zoo - we are bring the zoo to us! The Exotic petting zoo (Thursday Aug 30th) includes all the favourites like goats, rabbits, sheep and an alpaca and also a few unexpected friends like a lemur, zebra, kangaroo, monkey and a few more surprises! Be sure to mark your calendar and join your loved one for these special events!
