One evening as I took the dog out in our backyard for his nightly interaction with nature, I turned around to call my dog, and instead, there was a skunk, and it was coming towards me! I froze! And to my great joy, my dog, who usually chases everything in our yard, was backing away to the house and sat down. Thank Goodness! He had learned his lesson. He had been 'skunked' twice before. And now, when it came to chasing animals he knew... squirrels were good, skunks were bad!

A key lesson in life is knowing the difference between good and evil, right and wrong...and learning to stay away from what is harmful to us and others, and hold on to the good.

Romans 12:9 states; 'abhor what is evil, and cling to what is good!' Followers of Jesus Christ must learn to discern and exhibit the difference between what is good and what is evil. This verse teaches us to...'Run from the Wrong' and 'Grab on to the Good!'...and never let go! Let's make sure we 'show and tell' what is good, pure and loving with others every day!

I would like to share with you that I have accepted a new position at the Alzheimer's Society. In my new role I will be returning to Tabor offering education and consultation on dementia and responsive behaviours in addition to other locations in the Region.

The six years I have had the pleasure of working at Tabor have been an amazing journey. I have enjoyed getting to know you, sharing and growing with you and I will miss each of you dearly. My desire to work with persons living with dementia started when I was very young, visiting my grandmother who lived with Alzheimer's Disease. I am excited about my new opportunity to further pursue my passion in this field.

I know that Tabor Manor is a special place, where community is built, faith is alive and the mission to serve with excellence, love and dignity is lived out each day. Thank you for all the memories!

Laundry is a big job in Long Term Care when you have 128 residents! Loads and loads of laundry come down to the laundry department each day. Our machines are constantly running. Due to this fact, sometimes an item of clothing gets damaged. When this happens, the family will be notified as Tabor Manor does not have a seamstress on staff. We appreciate your understanding!

Fall Farmer's Market

Wednesday September 26th 10am-4pm
Come and sample the fall fruit harvest!
