Hello everyone, Thank you for welcoming me as director of care in the interim. I have been with Radiant Care for a little over 2 years now and at Tabor Manor since the beginning of August. I have met some of you and will get to know more residents and families over the next while at annual care conferences. Personal Support staff floor assignments are due to change at the beginning of October, so you may see some new faces or some you haven't seen in awhile as we strive to serve with excellence, love, and dignity. If there are any questions or feedback, please feel free to contact Stacey at the 2nd floor office to arrange a time to meet with me.

“Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.”

Recently, the largest gold nugget ever found was worth about \$3.8 million. The finders were ecstatic! And talk about 'buried treasure', a famous music star was recently buried in a casket overlaid with 24kt gold.

Many believe that finding or earning 'treasures' here on earth will make life, and even death, more meaningful and valuable.

Jesus however reminds us; "Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal,²⁰ but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal.²¹ For where your treasure is, there your heart will be also. (Matthew 6:19-21)

Let's make sure we are investing our lives for the Lord Jesus Christ, and for what matters most in this world and in the next!

Remember: we can't take earthly treasures to heaven, but we can invest in heavenly treasures here on earth!

Toolbox Talk—Rick Green

It is going to be a busy time for maintenance soon, the leaves will be falling, and getting ready for winter. You might see a couple newer younger faces with our team. We have a couple of co-op students from Governor Simcoe for the fall semester.

THANK YOU FOR YOUR SUPPORT

Thank you to everyone for your support of the Tuck Shop here at Tabor. With the hard work of many volunteers and those who made purchases we were able to buy a new keyboard for the Great Room, as our piano was not able to keep a tune!

Thank you for your ongoing support!
