Director of Clinical Services

Hello Everyone, my name is Dawn Clyens and I am pleased to be the Director of Clinical Services here at Radiant Care Pleasant Manor on a permanent basis. I bring 30 years of nursing experience with me in this role and want to reassure everyone that I am committed to support the best care to all our residents. Please know I am happy to meet with you, answer any questions, or address concerns you might have. Please stop by if you haven't already. Well, it has become clear by the change in temperature that the colder weather approaches. With this time of year comes the time for **flu vaccinations**. Flu vaccinations will begin November 1, 2018 in LTC. If you have questions about the vaccination, please let me know. Remember, one of the best ways to protect yourself from the spread of germs is to wash your hands. Hand sanitizer is available in the building. Please sanitize upon entering the building, and then before you leave. Stay Healthy!

Megan's Muttering

One of my very favorite projects of the year comes together this month – Operation Christmas Child. I think we can all find a memory of some special little person in our lives opening a Christmas present and watching the joy they experience. As I shop and pack my shoebox, I can't help but imagine the joy of the child that will be opening it and I feel so very blessed to be able to share my gift and my prayers for them. If you are not able to pack your own shoebox, we are collecting donations and will be packing, hopefully, a number of boxes on November 14 – please share your blessings too!

Christmas Banquets for Tenants

The dates for this year's banquets will be Thursday, December 6th at 5pm in Creekview Meeting Room & Tuesday, December 11th in Arbor view Dining Room at noon. Sign-up sheets will be in the office starting November 15th. Posters will also go up with more details.

Preacher's Ponderings

The month of November is often the time when we choose to remember the past. The church around the world celebrates All Saints Day on Nov. 1; Canada celebrates Remembrance Day on Nov. 11. Here at Pleasant Manor we hold a Memorial Service on Nov. 13. Memories can invoke pleasure but also pain. And it seems that the older we get sometimes those painful memories intensify. The Swiss theologian, Karl Barth reminds us that it is our turning to the God which brings the disorder of the past as well as the present into a state of peace—a peace which transcends all our understanding. May this month be filled with the assurance of God's presence as we turn to God in prayer.
