Once again the Annual Christmas Tea & Bake Sale was a great success! A special thank you to the Ladies Auxiliary and all those who baked and helped to make the event such a success. A total of \$2,027.90 was raised!

As we enter the Christmas season with all its business, events and family gatherings we are reminded that we have cause to celebrate, the wonderful gift of Jesus's birth.

On behalf of the management team, I would like to wish you a Merry Christmas and a blessed New Year.

Nurse's Notes— Karen Pental

This month the Nursing department has two areas that support resident safety: Medication Administration and Infection control. Staff have had training on many ways to keep the residents safe and healthy. They can't do it alone... We need Your help!

Infection control: There are signs posted around the home with information about how to reduce spread of germs. Hand Hygiene; avoid visiting if sick.

Medication Administration: Nurses need to focus and pay full attention to this work... Distractions are not good. If there is something that needs the Nurses' attention, please wait until the Nurse is finished at the medication cart giving out the medications.

For we are God's fellow workers. You are God's field, God's building. 1 Cor. 3:9

Recreation —Norma Restivo

Thank you to all who generously donated to support the Operation Christmas Child Program. Residents enjoyed packing the boxes to the brim with treasures for the children.

Once again the Recreation Team has been busy planning events to make the holiday season special! There are many groups from the community, local churches and schools coming in to sing and spread good cheer! Please join us.

We are looking forward to our intergenerational visits with Centennial school. The students and seniors will be meeting for the first time on December 12th.

Dietary's Dish—Barbara Osborne

Have a very blessed Christmas and a Happy New Year, from

Biblically Based—Jim Evans

Recent world events have featured a lot of bad news, such as; volcanoes, wild fires and social and political strife! It's evident that our world faces tremendous upheaval. Many people are fearful and without help or hope.

There's no better time than now to celebrate the Good News of Christmas! The Christmas story is one that offers God's help and hope through the arrival of His Son, Jesus Christ! The angels declared that first Christmas night, "Fear not, for behold, I bring you good news of great joy that will be for all the people.' (Luke 2:10) The story of the birth, life, death and resurrection of Jesus Christ is God's Good News to our hopeless world! And it can bring 'great joy' to those who receive it!

Be encouraged! You and I can have God's help and hope today through faith in His Son, Jesus Christ! May you know the 'good news with great joy' that is in Jesus Christ this Christmas Season, and throughout the coming year! **MERRY CHRISTMAS!**
