Preacher's Ponderings

"According to many news-outlets 2019 does not look like a promising year. Financial unsteadiness, potential political change and social uneasiness can have us feeling a little worried and concerned. But we are reminded in Isaiah 60:2 that although a darkness covers the earth, the LORD arises upon us, and his glory will appear over us. As Christ followers we have no need to worry for we are living in God's kingdom—his light shines on us. Furthermore, our peace and contentment and love for each other reflects that light to the rest of the world. Let us encourage each other to live with joy in God's kingdom.
