Nursing Notes— Karen Pental

Happy New Year Everyone!!

As routine resumes after holiday celebrations; the Nursing department staff look forward to this year to live out the Radiant Care Mission while providing care. Did you know that ongoing education and training are an essential part of providing care with Excellence, Love and Dignity? It helps to keep staff refreshed and current in their care provision. This year we will be having a “Topic of the Month” for staff – and you will see a bit of related information here in the Newsletter. Looking forward to a full year together at Tabor Manor.

Local Radio Station Ez Rock 105.7 surprised us with a visit & delivered cards from the community to everyone.

What a great way to start off our morning!!

Recreation —Norma Restivo

We hope that you have enjoyed all the special events in December! What a blessing to have so many groups come to celebrate Christmas with us! It was wonderful to have so many in the community reach out and connect with us here at Tabor. From singing groups, school children, to Christmas cards, to donations of flowers and lap blankets, we truly are blessed!

Below are just a couple of pictures from our intergenerational visits with Centennial school, both here and at the school.

Dietary's Dish—Barbara Osborne

Now that the holidays are over (whew!), we can focus on the next seasonal menu! The new winter/spring menu will begin mid- January! Residents can enjoy many delicious dishes on this menu such as ravioli with rose sauce, garlic meatballs and chili con carne with cheese biscuit. Yum! If you would like to try one of these scrumptious dishes with your loved one, please feel free to purchase a meal ticket at either our administration office or our TM tuck shop. Wishing you all a very Happy New Year!

**Family Council Meeting January
21st at 7:00pm in Great Room
All are Welcome**

Biblically Based—Jim Evans

Recently a headline declared, '1 billion people around the world are still living in the dark!' It is sad to think that so many are living every day without electricity and light!

Even sadder is knowing that many people around us are still living every day in spiritual darkness. Often they are without the help and the hope they so desperately need to see their way through the struggles of life and death.

As we begin the New Year, let's remember that the Christmas story and displays of light, remind us that Jesus was born into this world to shine God's light of love and truth into our dark world! The Bible says; 'In Him was life, and that life was the light of all mankind. And, Jesus is 'The true light that gives light to everyone'. (John 1:4, 8) He will shine into the heart and life of everyone that puts their faith and trust in Him!

Have you seen His Light in your life? Trust in Jesus to 'shine the light' in your life throughout the New Year! ***Have a Happy New Year!***
