

Radiant Care Pleasant Manor

Preachers Ponderings

This March we will be entering the season of Lent—a time of reflection and contemplation on the passion of Christ and his journey to the cross. We are challenged to try something new or start a new spiritual practice or habit such as praying more or volunteering our time. Sometimes we consider letting go of a common or daily thing we do such as drinking coffee or watching TV. We do this to remember the sacrifice of Christ for our sake. Lent begins with an **Ash Wednesday Service on March 6 at 9:30 AM** in Oakview Chapel. Our Thursday chapels will continue with the theme and please note the new change in our chapel times. Our first service will begin in **10:00 AM in Heritage Place** for our LTC residents and guests. At **11:00 AM, the service will begin in Oakview Chapel for tenants**. – Michael Dyck

**Supportive Housing Manager:
Megan Challice!**

My role as the Supportive Housing Manager is to coordinate the services that allow our seniors to age at home in their apartments. We have 30+ staff that serve approximately 120 seniors each month. You would come to see me if you had questions about any of our Supportive Housing services.

I have worked for Radiant Care for just over 12 years. I feel blessed to have been given a wide variety of exciting and challenging roles in my time here. I feel passionate about our commitment to Excellence, Love and Dignity. One of my favorite things about working in our Radiant Care family is giving and receiving hugs on a daily basis!
