Preacher's Ponderings

Now as May begins the days have been warming, the flowers and tree buds are blooming and soon the fruit blossoms will be in full color. Much of the gloomy and rainy days of April will be forgotten. Sadly, so will our thoughts on Easter and the resurrection of Jesus. What would these days of May look like as we view them through the lens of Jesus resurrection? Perhaps greater gratitude for the springs of life we see around us or maybe, less worry as our physical lives shorten like the nights? Maybe boldness to have joy in both? Because of the resurrection, as people of God, may we see in spring a promise of what our future holds—the love of the Father, the grace of the Son, and the fellowship of the Holy Spirit. ~ Mike Dyck, Chaplin ~

Admissions and Volunteer Coordinator:
Hilary Whitty!

My role as the Admissions and Volunteer Coordinator is to facilitate Admissions into Radiant Care for Heritage Place Long Term Care, Apartment rental units and Life lease units as well as manage and build our Volunteer Program with the help of all our Radiant Care Supervisors.

I have worked for Radiant Care since October 2015. I have been very fortunate to work for such a great organization and be given the opportunities, responsibilities and roles that I have held over the years. It is very important to me that every resident, tenant and family has a smooth transition and feels welcomed at Radiant Care.

In terms of the Volunteer portion of my job, we currently have 30 active registered volunteers and several others whom help from time to time. If you, your friends or family are interested in becoming part of our Radiant Care Registered Volunteer Program please feel free to reach out to me at any point in time! There are always lots of opportunities to assist in enriching the lives of our seniors.
