

Radiant Care Pleasant Manor

Quick News

- Work continues in Aborview Oakview and Creekview as painting and new carpets are being added!
- A new wood flooring was placed in the Aborview Dining Room! Thank you to everyone for being so accommodating during the transition!
- The Goerz Family is a new music group that will be coming once a month to Heritage Place to play gospel music-look for them on the calendar!
- The new spring/summer menu is currently in the works and is on its way soon!
- April is volunteer Month! The Volunteer Appreciation will take place on Tuesday April 2 at 2:00.

Volunteer Spotlight

Helen Klassen

Volunteer Position: Meal Time Assistant, Recreation Department Assistant, Auxiliary Member and More!

Started Volunteering: In 1999! Over 20 Years!

Favourite Part of Volunteering at Radiant Care Pleasant Manor: Being with the residents and assisting them when they need help. Thankful that I am needed and accepted at Pleasant Manor everyday!

Favourite Memory while Volunteering: Once a year I used to invite some residents over to my house for an Afternoon tea! I also enjoy helping on bus trips, especially the picnics!

Fun Facts:

Where were you Born: Ukraine

Favourite Food: Anything except fresh cucumbers!

Hobbies: Gardening!

April 29th – Sing-along with Mary & Margie

Pleasant Manor Post

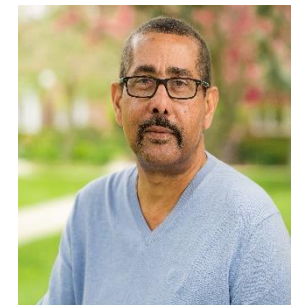

April 2019

Staff Spotlight

Maintenance Supervisor: Carl Lindo!

My background is in electrical, welding and industrial mechanics. I have 5 years with the organization and began at Pleasant Manor in December 2016. I oversee the care for all property building and grounds. If you have a maintenance request or concern, please speak to Administrative, Nursing or Supportive housing staff so they may put the request through the maintenance system called Worxhub.

In my spare time I enjoy playing and coaching soccer and spending time with my family. One of my favorite things about working in our Radiant Care family is the people I work with!

Preacher's Ponderings

April is a month of transition. We move from cold winter temperatures to the rising temps of spring (reminding us of the coming warmth of summer) together with increasing sunlight and longer days. In April we also move through the dark and sombre tones of Lent reminiscing on Jesus' path to the cross into the joy-filled celebration of Easter. And like the promise of the coming summer days, we are filled with hope knowing that our Redeemer lives and that a promise of new life, restoration and redemption awaits us. May this month find us persevering through the darkness keeping our eyes on Jesus, the Light of the World. ~Mike
