Preacher's Ponderings

Our view of Jesus is often clouded by misconception and often based on what we *want* to see and likewise, what we don't. In our summer bible study series will look at the portrait of Jesus that the Gospel of John paints for us—to consider Jesus as the God who became human to show us the love of the Father; who brings peace to us; and who saves us from our sins. To see a clear portrait of Jesus for yourself, consider joining us Thursday afternoons at 2:00 PM in the chapel for a discussion on who Jesus is. - *Chaplain, Michael Dyck*

Volunteer Spotlight

Owen McAllister

Volunteer Position: Recreation Assistant

Started Volunteering: December 2018

Favourite Part of Volunteering at Radiant Care Pleasant Manor: *I have learned how to play Euchre and now run a weekly Euchre group. I also enjoy learning all the life stories of residents and tenants! I started volunteering to be more involved in my own community.*

Pleasant Manor Post

July 2019

Nutrition Manager Ginny Valko!

One of my roles as Nutrition Manager is to make sure that all your nutritional needs are met daily. We have 15 staff to cook and serve your 3 meals and provide you 3 snacks throughout the day. You would come to see me if you have questions about the food served.

I feel so blessed to have worked for Radiant Care for 5 years in many different roles.

The best part of my job is seeing you stay strong and healthy!

Farm Day 2019!

Thank you to everyone who came out to Farm Day! Besides the weather being a bit gloomy and windy there was a great turnout! We hope everyone had a great time! A big thank you to all the volunteers!
