Family Council Update

We would like to inform everyone that after several years as acting Chairperson for Tabor Manor's Family Council, Miriam Bauer has stepped down from this role. We wish to thank Miriam for her dedication, time, effort and commitment to the council.

This means there is an opportunity for others to serve on the Family Council in various roles. We are looking for family members, relatives or friends of residents to join our Family Council.

We would like to invite everyone to attend our next meeting, **Tuesday, August 27th at 2:00pm** in the Great Room. This is an opportunity for everyone to learn more about the council and how you can make a difference.

What does a Family Council Do?

Family Council work with the Home to improve the quality of Life of our residents. It allows families ongoing mutual support and encouragement. Sharing thoughts and feelings and experiences, provides a forum for learning and an opportunity to become more knowledgeable about the Home's operations, policies and rules. This can be very helpful to new families and residents.

A Treasure In An Old Book!

One day, I looked at an old book I had on my bookshelf. I chose that particular book because of its wonderful impact on my life many years before.

As I opened the book, to my surprise, there was a \$20 dollar bill wedged between two pages with lots of underlining I had made to highlight key statements I found helpful! I had used the \$20 bill as a bookmark, and left it there so many years before.

I shouted 'WOW!', and gladly reclaimed that twenty for present use. But, the content had been worth far more to me since, than the \$20 dollars lost inside it!

Like that book, when I open my Bible, I know that what it contains is more priceless and valuable to me; far beyond a world full of \$20 bills!

Psalm 19 says the Bible's truths are...

¹⁰ More to be desired than gold, even much fine gold;
sweeter also than honey and drippings of the honeycomb.

Never Forget...There is Treasure in the 'Old Book'...The Bible...for you and for me! Read it every day!

Tool Box Talk—Rick Green

You may have noticed that we have recently added sun shade sails to the courtyard. The shade sails are a flexible fabric that allow for temporary shade, and are perfect for our courtyard because they are secured safely above using a special anchor system that does not interfere with the walkways. Hope you like them!
