

Celebrating Seniors:

Discussions on Seniors & Spirituality.

Every fall Radiant Care Pleasant Manor hosts a "Pastors' In Service", gathering pastors and senior spiritual care givers from across Niagara to discuss topics on spirituality and seniors. This year our topic is, Death, Dying, and the God of Life.

In 2015 the Supreme Court of Canada struck down the ban on physician assisted suicide, ruling that the ban violates the right to life, liberty, and security of the person granted by the Canadian Charter of Rights and Freedoms. This year, we will engage the legal, medical, cultural, and theological issues surrounding physician assisted death with the help of Justin Neufeld of Canadian Mennonite University. We will ask the question, "How can Christians and the church faithfully follow the God of life even in the midst of suffering, sickness, and death?"
