## Preachers Ponderings

It is now October and fall is firmly taken root. Thanksgiving services and gatherings are in preparation and we are constantly reminded of our need for gratitude. And, of course, that is so important. Perhaps, as we see the trees change colour, and prepare for the winter, we too can find creative and beautiful ways to express our thanks to God for Jesus, His grace, His bountiful gifts, His body made up of believers from all over the world. Each member brings their own colour adding to the beautiful expression and fullness of what God's people are. We are also reminded that this month we vote for a new government. May God direct our choices and set in place people who will administer truth and justice and grace which reflects God's coming Kingdom.~
