Preacher's Ponderings

November begins with All Saints Day, a celebration not often observed by us Mennonites and evangelicals. And that's too bad. What this day is about is celebrating those from our past who have helped shaped our faith and who have, through their shared lives, witnessed what it means to follow Jesus often through difficult trials. The day reminds us that we are not alone in our faith, rather we are surrounded by a 'great cloud of witnesses' who cheer us on as we 'run the race'. The day also points to the celebration that ends this month, Christ the King – the anticipated fulfillment of our hope.

Staff Spotlight

Director of Operations: Christine Leonard

My role as Director of Operations is to ensure that Radiant Care Pleasant Manor is operating within our mission, vision and values. To provide our seniors with excellent care and services. I have been employed by Radiant Care for over 39 years. My role has changed several times during my employment. I still love the work that we do together, and I am privileged to work with such a wonderful competent team.

I have been married to my husband Terry for just over 35 years. We enjoy spending time with our family, especially our 3 grandchildren. We live in St. Catharines and have a trailer in Dunnville where we spend our weekends during the summer months.
