February is Therapeutic Recreation Month!

Here at Tabor, Therapeutic Recreation is the term used to describe programs, activities and interventions used to provide our residents with the best quality of life possible. The recreation staff work diligently to provide a variety of programs, support and assistance to our residents to maximize their independence. We take a holistic approach to health and wellness and focus on the physical, social, cognitive, emotional and spiritual domains of the individual. Our goal is to offer activities that are meaningful, promote opportunities for socialization, creative expression, fun, enjoyment, learn new skills, adapt an old skill, as well as maintain physical and cognitive abilities.

Montessori Moment

I am excited to share some exciting Montessori updates here in our Home! The recreation staff have been updating and adding to our Montessori activity areas and supplies. We have recently purchased new puzzles, board games, brain teaser games, painting supplies, sorting/matching games, picture books, easy to read novels and other activities to help make the day meaningful, enjoyable and engaging.

Biblically Based – Jim Evans

Recently, a man named Howard Kirby bought a second hand couch from Habitat for Humanity for \$70. When he found it uncomfortable, he opened up its cushion covers and was stunned to find \$43,000 in cash in a box! What would you do? It would be a real temptation to keep the money, wouldn't it!

However, Howard Kirby decided to track down the original owner of the furniture and return all of the money! Why? Kirby said, 'The Holy Spirit just came over me and said, "No, that's really not yours,". Kirby also said, 'As a born-again Christian, I want to do what Christ would want me to do, and I think that's what He would want me to do.'

Scripture says, 'Blessed are those who act justly, who always do what is right, and, 'To do what is right and just is more acceptable to the Lord than sacrifice.' (Psalm 106:3; Proverbs 21:3)

Thank the Lord for believers like Howard Kirby who are such amazing examples of Christ like truthfulness and love! Let's be ready to show and tell Christ's truth and love to others every day!
