

Radiant Care

OPENING DOORS FOR SENIORS

The Radiant Care Foundation launched its Opening Doors for Seniors focus for 2020 after considerable engagement with the people who are impacted most – the seniors who choose to live at Pleasant Manor and Tabor Manor. This year, our seniors told us that the Foundation should support experiences based on the themes of integration, faith, music, socializing, and food

In 2020, donations will support:

- Full-time spiritual enrichment program
- Bus trips
- On-site musical & social events
- Monthly Music Therapy in Long-Term Care
- Automatic door openers
- Beneficial resident/tenant equipment
- And more!

By supporting these events and purchases, the Radiant Care Foundation works to remove physical, emotional, and social barriers associated with aging, thereby Opening Doors for Seniors.

Why should I donate to Radiant Care?
To Open Doors for Seniors! When you donate to the Radiant Care Foundation, you open the door to

Intentional social and educational opportunities

Focused recreational activities

Targeted equipment purchases

Spiritual enrichment

And more!
