Outdoor Visits

- An appointment must be booked.
- Check-in with the screener 5-10 minutes before your visit.
- Clean your hands. When you arrive, clean your hands using hand sanitizer. Again before you leave.
- Wear a mask. You will need to bring your own cloth mask or face covering for outdoor visits.
- **You no longer need a recent COVID-19 test for outdoor visits.**
- Must maintain physical distance. For everyone's safety, avoid physical contact during your visit, remains two metres (six feet) apart at all times.

Indoor Visits

- Visitors must have tested negative for COVID-19 within last 2 weeks.
- An appointment must be booked.
- Check-in with the screener 5-10 minutes before your visit.
- Clean your hands. When you arrive, clean your hands using hand sanitizer. Again before you leave.
- Wear a mask. A surgical/procedure mask must be worn at all times, and will be provided by the home.
- Must maintain physical distance. For everyone's safety, avoid physical contact during your visit, remains two metres (six feet) apart at all times.
- Any non-adherence to these rules will be the basis for discontinuation of visits.

Biblically Based—Stephen Mason

Return to the Lord your God, for he is gracious and compassionate, slow to anger and abounding in love. (Joel 2:13)

We often confuse unconditional love with unconditional approval. God loves us without conditions but does not approve of every human behaviour. God doesn't approve of betrayal, violence, hatred, suspicion, and all other expressions of evil, because they all contradict the love God wants to instill in the human heart. Evil is the absence of God's love. Evil does not belong to God.

God's unconditional love means that God continues to love us even when we say or think evil things. God continues to wait for us as a loving parent waits for the return of a lost child. It is important for us to hold on to the truth that God never gives up loving us even when God is saddened by what we do. That truth will help us to return to God's ever-present love.

Questions Regarding Gifts...

We receive many questions regarding bringing in food items and gifts. We know that this is a challenging time and that families want to send in gifts for their loved ones if they can't see them. We are accepting gifts at this time, but please know in regards to gifts of food – there are temporary guidelines in place during this pandemic. We ask all families to please abide by these policies and not bring/deliver any outside food that is considered to be 'high risk'. **High risk food includes** dairy (yogurt etc.), protein, fruit, frozen items including ice cream, coffee drinks (with whipped cream in them) and birthday cakes (with whipped cream on them). High risk food items will be denied entry into the building. We thank you for your understanding at this time". Please make sure any items brought in are clearly labelled. If you have questions, please contact Nutrition Manager Barb Osborne.

Residents continue to enjoy and help maintain the outdoor courtyard, which is looking lovely with all the blooming flowers & vegetables.
