Never Forget!

Great Achievements Deserve to Be Remembered!

Those who sacrifice their lives for that which is truly just and compassionate deserve to be honored, remembered and not forgotten. For Canadian society, that is the meaning of Remembrance Day, a day to remember what shouldn't be forgotten. The War Monument on the main street in Niagara-on-the-Lake has enshrined the words...

**'This Cenotaph is dedicated to the memory of
Canadians
who died in the service of their country
their name liveth forever'**

Remembering Christ

Remembering is also the biblical way of continuing to value and have deep gratitude and thankfulness for what God has done! We are encouraged 'not to forget any of His benefits' He has given to us (Psalm 103). Most of all to be remembered is God's love in sending His Son, Jesus Christ, to sacrificially die on Calvary's Cross to save condemned sinners who repent of their sin and trust in Christ alone for their eternal salvation! God's love, and Jesus' sacrifice, are forever memorialized with these words from John 3:16...

"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life."

Christ's death for guilty sinners, like you and me, is THE Greatest Act of selfless, sacrificial love the world will ever see! And something this amazing, loving and compassionate must never be forgotten! And, just like Remembrance Day, The Lord Jesus Christ Himself has given a continual way to remember His sacrifice for us by observing Communion in His Name. 1Corinthians 11:25 says:

Remembrance Day Poem

Kathleen Mantha's friend Agnes wrote a poem about Remembrance Day- Agnes lived in the Netherlands and has fond memories of the Canadian Soldiers who liberated the Netherlands. Here is an excerpt from her poem:

*"The next morning, we were liberated
and free!*

*We were so happy to see our Liberators
in the light of the day, and that they
were here to stay!*

*We'll always remember what the
Canadians have done, to free us from
the fear of the gun.*

*There will always be a special part for
you in every Dutchman's heart.*

May God bless you and keep you!

That is my prayer of thanks to you!

- Agnes Arts

**"This cup is the new covenant in My blood.
Do this, as often as you drink it, in
remembrance of Me."**

This Remembrance Day let us not forget those who have sacrificed for our freedoms. And let us never forget what Jesus did on The Cross to pay the ultimate price for our spiritual and eternal freedom! Lord Jesus, **WE REMEMBER YOU!**

Wedding Fit for a Queen

On November 20, 1947, Princess Elizabeth married Lieutenant Philip Mountbatten, Duke of Edinburgh, a former Greek and Danish prince. Two thousand guests were invited to the ceremony at Westminster Abbey, and it was broadcast by the BBC over both radio and on television to the masses, which was groundbreaking coverage at the time. Not only did thousands of well-wishing Britons line the streets of London and swarm in front of Buckingham Palace, but an estimated 200 million people tuned in to the BBC broadcasts.

Princess Elizabeth's wedding dress was designed by Sir Norman Hartnell, designer to a long line of British royalty. His design was inspired by Botticelli's painting *Primavera*, an homage to spring and rebirth, and was submitted for review and accepted in

mid-August, giving him just a few months to build the dress. It was made with ivory silk, fashioned with crystals and 10,000 seed pearls, and had a 15-foot silk tulle full court train. Because Britain was still subject to the rationing restrictions of World War II, Princess Elizabeth had to use rationing coupons to pay for her dress. Hundreds of Britons sent their personal coupons to the princess in a show of support. The Queen lent her daughter her grandmother Queen Mary's Russian Fringe tiara for the wedding day. Just as Elizabeth was set to leave for the Abbey, the tiara snapped and had to be quickly repaired on-site.

The royal couple received 11 wedding cakes, but only one was official, baked by Scotland's McVitie and Price. The cake stood nine feet high in four tiers. With food rationing still in place, ingredients from around the world were sent as wedding presents, including sugar from the Girl Guides of Australia. With ingredients coming from far and wide, the cake was known as the "10,000 Mile Cake." In an era of austerity, some balked at the spectacle of such a lavish affair. But most Britons reveled in the royals and their extravagant wedding. It would be decades before another wedding of such import.
