COVID-19 VACCINE

Nursing staff administered the first dose of the COVID-19 vaccines to our Tabor residents on January 20th. Tenants received their vaccines on January 25th with the assistance of Public Health, who were able to bring the vaccines onsite for our tenants. One step forward in the fight against COVID-19!!

Our Vaccination Team

The nursing team delivered vaccines room to room

Words of Truth, Words of Hope

...the earth is full of his unfailing love. (Psalm 33:5)

We know a truth about these days in which we are living...that the earth is full of a virus that is impacting our world in a frightening way. Aware of this truth, as God's people, we look to the Lord for hope and strength to live wisely and compassionately during these difficult days. Thankfully, as God's people, we know another truth...a wonderfully bracing truth; expressed very simply and beautifully in the words of Psalmist: *the earth is full of God's unfailing love*. Yes, God's love is unfailing, unfaltering, unwavering, and unhesitatingly at work throughout the earth.

If you find yourself doubting this or find your heart drifting toward despair, please know that God understands why and how our hearts can drift that way. He created you, knows you, and loves you more than you can imagine. And God wants to renew your hope, by his Spirit and through his Word.

I invite you to look to the Lord today in the hope-filled words of *Psalm 33*. Read the words slowly and preferably out loud, pausing at words or phrases that stir your heart.

May you also find encouragement today in these poetic words, penned decades ago by hymn-writer Annie Flint:

** God hath not promised skies always blue,
Flower-strewn pathways all our lives through;
God hath not promised sun without rain,
Joy without sorrow, peace without pain.
*But God hath promised strength for the day,
Rest for the labor, light for the way;
Grace for the trials, help from above,
Unfailing sympathy, undying love.*

Although February is known as the month of romance, food, and Super-bowl, it is also the month that Family Day falls in. We know it is not all chocolate hearts and roses this year, but we hope that you are able to connect and strengthen your family bonds through virtual means. Regardless of how we are currently interacting, these interactions bring joy and happiness.

Valentines Facts

- ♥ Hallmark was one of the first to mass produce a Valentine's Day card, all the way back in 1913
- ♥ The only other day that beats Valentine's Day in floral sales is Mother's Day.
- ♥ Teachers receive the most Valentine's Day cards, followed by kids, mothers, wives and girlfriends.
- ♥ Every year, around 9 million people buy their pets a Valentine's Day gift.
