### **Recreation Notes—Norma Restivo**

It's hard to believe that we are at the end of February. That means one sixth of the year is already behind us! This morning was definitely a taste of nicer weather to come. I am sure we all cannot wait until the warmer weather arrives.

With the outbreak behind us, we are able to resume small group and 1:1 programming. Everyday, the recreation team works together to overcome challenges by finding new and unique ways to keep residents engaged and stimulated. I applaud their efforts, dedication, and hard work.

Despite all the changes to residents' daily lives, they continue to have positive attitudes and show resiliency and courage throughout this pandemic.

Our trees of hope, love, support, and encouragement help us remember that we are in this together and that we can and will persevere.

## Biblically Based—Stephen Mason

*Yes, I have loved you with an everlasting love. (Jeremiah 31:3)*

The God who created the universe loves you personally. Try to wrap your mind around that. He loves *you* – not just people in general, but you as a person. He cares about your life and wants to be a part of it. God's love for you is unconditional and infinite – far far beyond what even the best of people are capable of. God loves you whatever state your life is in. His love for you is unfailing, unhesitating and unfaltering; truly, God loves you more than you can imagine!

***See what great love the Father has lavished on us, that we should be called children of God! And that is what we are! (1 John 3:1)***

As a follower of Jesus, you are a child of God. You may have heard this phrase many times before, but take some time to let it sink in. God, your Father, calls you his child. You see, when you begin a relationship with God, you don't just become God's friend, you become His child. How do you become His child? Scripture is clear that God adopts you as His child, and that it gave him great pleasure to do this.

Now, you can have a child by accident, but you cannot adopt a child by accident. When you adopt a child, you choose to love, cherish and care for that child for life. When God adopts you, it's not an accident. He chooses to love, cherish and care for you forever; for an eternity.

Take a few minutes today to think about how the God of the entire universe loves you personally and chose you to be His child.

March 17th is SHAM"ROCK" YOUR GREEN CHALLENGE. Everyone is asked to wear GREEN and join us in some St. Patrick's Day fun!

Reset your clocks on March 14th!

## The Shamrock

One traditional symbol of Saint Patrick's Day is the Shamrock.

"Shamrock" is the common name for several different kinds of three-leafed clovers native to Ireland.

The shamrock was chosen Ireland's national emblem because of the legend that St. Patrick had used it to illustrate the doctrine of the Trinity. The Trinity is the idea that God is really three-in-one: The Father, The Son and The Holy Spirit.

Patrick demonstrated the meaning of the Three-in-One by picking a shamrock from the grass growing at his feet and showing it to his listeners. He told them that just as the shamrock is one leaf with three parts, God is one entity with three Persons.

The Irish have considered shamrocks to be good-luck symbols since earliest times, and today people of many other nationalities also believe they bring good luck.
