Recreation Note

Recreation staff were able to enjoy an afternoon of celebration honouring all our Mother's last month. We felt blessed to be able to brighten their day by visiting and spending time together. The ladies enjoyed special treats, flowers, good conversations and for some, a surprise video from loved ones. It is always a joy being able to connect families together. Thank you to those who were able to send in videos.

.....

All our ladies received potted flowers for their rooms.

Toolbox Talk— Rick Green

Summer is coming, the flowers and plants are being planted, the mulch will be topping off the gardens. At this time, the temperature outside always goes up and down. As maintenance we are always monitoring the temperatures. We keep the inside temperatures between 22°c and 27°c. If you feel uncomfortable in your room, please tell the nurse. The nurse will input the concern into the computer system. We will send someone up as soon as possible to rectify the issue. Don't forget if you have any maintenance issues bring them to the nurse and maintenance will get to them right away. Thank you.

Montessori Moment

We are proud to be a Montessori home and we are super excited to share that we now have a newly revamped Montessori section on our website!

We invite you to check out the website, and have a look at how we used captivating videos and photos with narrative information to showcase what Montessori looks like in our homes.

You can checkout the pages here:

We are asking families to drop off a sunhat if your loved one does not already have one in their personal belongs. You can drop this off at the screener table. We will label it and ensure the hats are being used when outside. Please make sure when you drop off item it is clearly marked.

Thanks, Recreation Staff

'What Can I Do With My Day?'

During this pandemic we must do without a lot of things we normally have or do. With lockdowns, isolation, and uncertainty, we can become anxious, frustrated, fearful, and have a deep feeling of loneliness. When all seems so negative and unrelenting, we can grow discouraged and despondent...if we're not careful. One person said recently, 'all I do every day is watch the news all day and get depressed!' My suggestion was, 'then don't watch the news every day, all day!' Their response was, 'well, then what can I do with my day?'

To answer that question, I was reminded of a number of things that we are encouraged to do every day from God's Word. Here's one that I hope will be helpful for us as we navigate each day through this difficult time...

Remember To Be Thankful

Rather than dwelling on what we don't have or can't do, I encourage you to take inventory of what we do have, and of the many blessings God has blessed us with.

For me, I have a Lord and Savior named, Jesus Christ who has saved me and given me eternal life! I have His Holy Spirit living within me to guide me and protect me! I have His Word to bring God's wisdom and encouragement to my life! I have the Church, The Body of Christ to support me. I have a wonderful, caring wife, family and a new granddaughter! I have many Christian friends. I have a home that meets my needs. I have a wonderful job and work associates here at Radiant Care. I could list the blessings for pages, but you get the idea.

Psalm 103 says; 'Bless the Lord, O my soul, and all that is within me, bless His holy name. ² Bless the Lord, O my soul, And forget none of His benefits; ³ Who pardons all your iniquities, Who heals all your diseases; ⁴ Who redeems your life from the pit, Who crowns you with lovingkindness and compassion; ⁵ Who satisfies your years with good things, So that your youth is renewed like the eagle.

God has blessed all His children with all the personal, spiritual, and eternal blessings we could ever need through Jesus Christ! (Eph. 1:3)

And God has, and will continue to, supply all our needs according to the richest He brings to our lives through Christ! (Phil. 4:19)

I have found that when I remember and give thanks to the Lord for all He's done for me, I tend to forget what bothers me, and I see things in a new light!

How has God blessed you? Go ahead, make a list, and thank God for each one.

And as you do remember,

God will continue to add to that list every day...all the way to eternity!
