COLD and FLU-SEASON is upon us!

Although the focus continues to be on COVID, we want to remind everyone that once again it is that time of year when we see an increase in sniffles and coughs in schools, workplaces and homes.

Influenza or the “Flu” and the common cold are respiratory infections that are spread from person to person through airborne droplets from sneezing and/or coughing. It can also be spread when a person touches an infected surface such as a door handle, computer keyboard or telephone and then touches their eyes, ears, mouth or nose.

Using good hand hygiene practices—handwashing and use of an alcohol-based hand rub—is one of the most important steps you can take to avoid getting sick and spreading germs.

Please use our Hand Hygiene stations located throughout the home when you are visiting and please do NOT visit while you are ill.

Preachers Ponderings

November, typically, is the month in which the church calendar draws to an end. It begins with grief as we remember those who died over the past year (All Saints Day, November 1) but ends in a declaration of our trust in Christ our Redeemer (Reign of Christ Sunday, November 21). We reflect back on this year, its challenges that we continue to face, but remember that we live in a plan established by Christ from the beginning of time itself. That hope never dies. In fact, it is what we live out in this darkening season. And that is a fitting response as we look ahead and prepare for a whole new year starting with the first week of Advent (November 28). So let us live in that hope! ~Michael Dyck

Recreation Update

Activities are continuing to gradually return to normal. Activities with larger group sizes are being incorporated, while maintaining infection control protocols. There are two therapeutic recreation students starting this month, and we look forward to them joining our team.

There will be a Remembrance Day ceremony on November 11 and Christmas Decorating will begin at the end of the month!

It's survey season here at Pleasant Manor. Residents will be given the opportunity to provide their feedback on their experiences here at Pleasant Manor. Please return surveys by November 15th.
