COLD and FLU-SEASON is upon us!

Although the focus continues to be on COVID, we want to remind everyone that once again it is that time of year when we see an increase in sniffles and coughs in schools, workplaces and homes.

Influenza or the “Flu” and the common cold are respiratory infections that are spread from person to person through airborne droplets from sneezing and/or coughing. It can also be spread when a person touches an infected surface such as a door handle, computer keyboard or telephone and then touches their eyes, ears, mouth or nose.

Using good hand hygiene practices—handwashing and use of an alcohol-based hand rub—is one of the most important steps you can take to avoid getting sick and spreading germs.

Please use our Hand Hygiene stations located throughout the home when you are visiting and please do NOT visit while you are ill.

*In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.*

Recreation—Norma Restivo

Please give a warm welcome to our newest staff.

Hello! My name is Eliza. I'm 23 years old from Dunnville, ON. I am new to Tabor and very excited to meet and get to know everyone. I graduated from Niagara College's Recreation Therapy program in 2018. I've been working as a Rec Therapist for 3 years now; I love what I do! I'm very active and love to be outdoors. My hobbies include volleyball, soccer, hiking, crafting, and spending time with my dog, friends, and family. Tabor is my newest adventure, and I can't wait to see where it takes me!

It's survey season here at Tabor. Residents will be given the opportunity to provide their feedback on their experiences here at Tabor Manor. Please return surveys by November 15th. Recreation staff will come around to assist and collect completed surveys or they can be placed in the Mail Box located outside of Tuck Shop.

**RESIDENT SATISFACTION SURVEYS
WITH RETURN ENVELOPE WILL BE
PLACED IN EACH RESIDENT'S ROOM
ON NOVEMBER 1ST.**

Toolbox Talk—Rick Green

Snow is coming! We will be preparing the grounds for winter. As always, we do our best to keep the grounds safe for you and your family. If you find an area that is slippery or snow covered or have any concerns, please let a staff member know. Maintenance staff will respond asap.

The Priceless Word of God! Pastor Jim

The estimated value of a complete copy of the original Gutenberg Bible is a staggering \$30 million. Individual pages sell for as much as \$20,000 to \$100,000! Sadly, out of more than 150 original copies, only 49 copies of this Bible are known to exist and, of those, only 21 are complete.

The Gutenberg Bible, first printed in 1454, was the first major book ever printed with moveable metal type in the Western world. Before this Bible was created, books had to be printed from wood blocks engraved with letters or copied out by hand. Sometimes this took many years to finish. Some people consider the Gutenberg Bible one of the most beautiful books in the world.

As impressive and valuable as the Gutenberg Bible is, the words contained inside it are the real treasure! The Bible itself, no matter how or when it is faithfully printed, is the most valuable book in the world because it is God's Word! It is The Author Himself, who makes the Bible priceless! And what He has written is the most important and valuable message of all!

The Greatest Message of All

The ultimate message of the Bible is that salvation is only to be found by God's grace, through faith in Jesus Christ! (Eph. 2:8,9). The Apostle Paul said of the Bible; "These are "the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus" (2 Timothy 3:15).

Scripture also contains God's personal instruction for all of life. The Bible reminds us that; 'All Scripture is given by inspiration of God, and *is* profitable for doctrine, for re-proof, for correction, for instruction in righteousness, that the man of God may be complete, equipped for every good work.' (2 Timothy 3:16)

We can Trust God's Priceless Word Forever!

Because the Scriptures contain the very words of God, we can put our complete trust in what the Bible says, both now, and forever. That's why The Word of God can be 'a lamp unto my feet and a light unto my path!' (Psalm 119:105). And Jesus Himself said; 'Heaven and earth will pass away, but My Word will not pass away!' (Matt. 24:35). I can depend on God's Word as if my life depends upon it...and it does!

The Word of God is our most valuable possession, it has everything we need for this life, and the next! We should cherish His Word above everything else we may possess. The Psalmist said; 'The Word of The Lord is to be desired more than gold, even much fine gold.' (Psalm 19:10)

Do you and I love God's Word? Are we reading it, meditating on it, and, with the Holy Spirit's help, seeking to apply it to our daily lives?

Let's treasure God's Holy Word, and thank Him for it! Lord, thank You for Your precious Word, and the message of eternal truth and salvation in Jesus Christ! Amen!

Cherish God's Word...Our lives depend upon it!
