WE WELCOME...

Ian Warnica

Dorothy White

BIRTHDAYS

CELEBRATIONS

Dorothy White

Tina Goertzen

John Boldt

Fred Hendricks

Alexander Bondarchuk

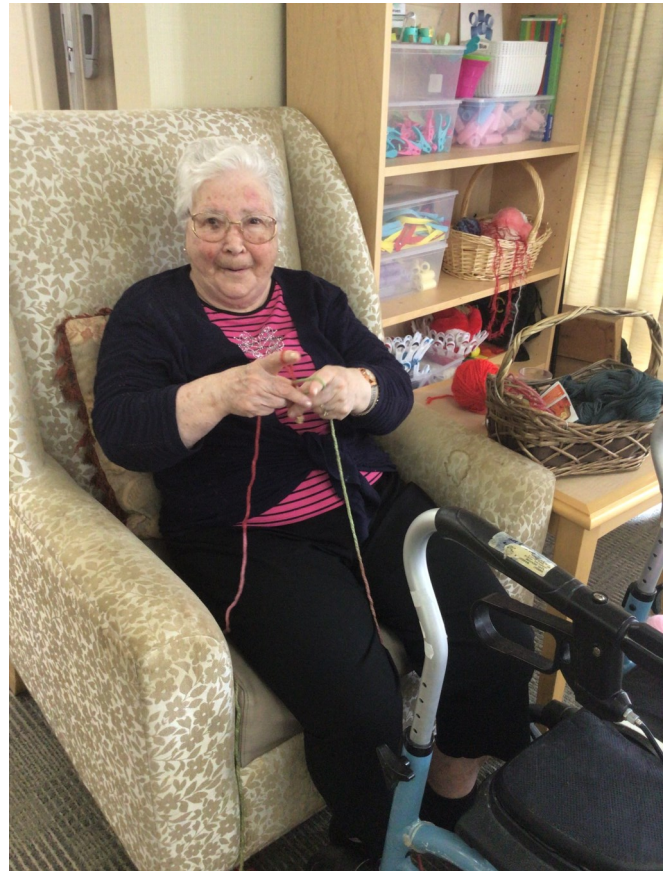

Bill McBride

Kathleen Williamson

Annie Habic

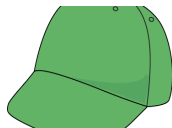

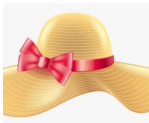

Margaret Merakian

Meet Rosaria, Tabor's knitting queen. She keeps herself busy working on different knitting projects. You can give her any type of wool and she will create a masterpiece with no two the same. Knitting is one of the most loving ways for her to give back to others and she finds it especially gratifying to see the smiles and receive a gift of a warm hug. She has spent many years as a skilled seamstress, and it shows in her creations. Her attention to detail is impeccable. Some of her recent creations are a blanket, scarves, and purses all which she has gifted to staff.

Toolbox Talk— Rick Green

As maintenance we are always monitoring the temperatures. We keep the inside temperatures between 22°c and 27°c. If you feel uncomfortable in your room, please tell the nurse. The nurse will input the concern into the computer system. We will send someone up as soon as possible to rectify the issue. Don't forget if you have any maintenance issues bring them to the nurse and maintenance will get to them right away. Thank you.

We are asking families to drop off a sunhat if your loved one does not already have one in their personal belongings. You can drop this off at the screener table. We will label it and ensure the hats are being used when outside. Please make sure when you drop off item it is clearly marked.

Montessori Moment

Residents and recreation staff will be planting in the outside courtyard garden at beginning of June. First floor residents have been caring for a variety of seeds that we have growing and everyone is looking forward to transferring them outdoors. Special thanks to Gerry for watering the flowers daily.

Gardening has many health and therapeutic benefits for us all. Actively engaging our residents in gardening, regardless of abilities, improves mood, reduces stress and promotes relaxation. It is a great way to socially interact with others and connect with nature and the outdoors.

Stay tuned for more great pictures from our planting day.

Biblically Based—Jim Evans

God's Shelves Are Never Empty!

'Store shelves are empty', said one commentator recently! Manufacturers running short of products and supply chain disruptions, have contributed to a growing concern over the lack of basic food and grocery essentials. Most concerning is the shortage of baby formula in North America. A recent headline stated, 'Baby formula shortage leaves shelves empty at some Toronto stores'. Parents are rightly concerned for the immediate and future needs of their infants and young ones. Many fear that our most basic needs will increasingly be more expensive and elusive. We are not used to major shortages and empty store shelves are we!

In challenging times like these, we may feel that God's blessing and provision are in short supply as well. It can seem like His spiritual shelves are empty when you go to Him in prayer. Maybe you have been struggling with how God will supply your needs, whatever they may be.

Be assured today, God will never run short of providing for His children! His shelves are never empty! The Lord will always, 'supply all our needs according to His riches in glory in Christ Jesus!' (Phil. 4:19) And God's supply chain will never be disrupted, and nothing can separate us from the love of God expressed and experienced in His Son, Jesus Christ our Lord! (Rom. 8:39)

The reason is because God's loving mercy and grace are **ALWAYS** available to His children. Let these verses remind and encourage you today...

The steadfast love of the Lord is from everlasting to everlasting on those who fear him, and His righteousness to children's children, (Psalm 103:17)

For great is His steadfast love toward us, the faithfulness of the Lord endures forever.

Praise the Lord! (Psalm 117:2)

Never Forget...

'The steadfast love of the LORD never ceases; His mercies never come to an end; they are new every morning; great is Your faithfulness. "The LORD is my portion," says my soul, "therefore I will hope in Him." (Lam. 3:22)

We have often sung; 'Be not dismayed whate'er betide, God will take care of you!' No matter how empty the store shelves may become, keep singing that hymn in your heart and keep Praising The Lord...God Will Take Care of You!

Pastor Jim
