Recreation - Jardin Dakin

Hey everyone, I am Jardin Dakin. I've been working at Radiant Care Tabor Manor for 11 years (and counting) in the Therapeutic Recreation department. I have recently returned from maternity leave and am so excited to be back on the floors visiting and interacting with all the residents! While it's been hard leaving my beautiful boys after a year off with them, I can't thank you all enough for the warm welcome back to my "Tabor family". I look forward to getting back into the swing of things and providing meaningful programs, especially at my favourite time of year!!! Happy Fall everyone!

Dietary's Dish - Barbara Osborne

Residents will still be enjoying a special Thanksgiving lunch on Monday, October 10th. Residents will be served a delicious turkey dinner with all the fixings! Wishing everyone a very happy Thanksgiving!

Family Council

We are looking for someone who is interested in running the family council. We currently do not have anyone in this role.

I would like to invite anyone interested in establishing a family council to personally reach out so that we can discuss this opportunity. You may email me at normar@radiantcare.net or call me at extension 1063.

Thank You, Lord!

We have just witnessed the memorial proceedings of Queen Elizabeth. It was a tremendous outpouring of appreciation, devotion and respect for the Queen who served for 70 years; the longest serving Monarch in British history.

Over ten days there were services of remembrance throughout Great Britain. The service at Westminster Abbey was viewed on TV by over 25 million Britons, and an estimated 2-3 billion people around the world. TV commentators recounted the accomplishments that The Queen was instrumental in, and how she handled the trials and crises that arose during her reign.

Vast crowds lined the avenues as the Queen's coffin and Royal family proceeded down to her final resting place. There were many who waved flags, some bowed their heads, and others were taking photos with mobile phones. I noticed one woman that seemed to simply say a heartfelt and teary eyed, 'Thank You!' For her, that perfectly summed up her appreciation and gratitude for the Queen's legacy of service.

As I watched I thought; if an earthly Monarch deserves an honored memorial and an appreciative 'Thank You!', then, how much more does The Lord Jesus Christ deserve our unreserved and wholehearted love, devotion, and eternal gratitude! Jesus Christ is 'He who is the blessed and only Sovereign, the King of kings and Lord of lords, who alone has immortality, who dwells in unapproachable light, whom no one has ever seen or can see. To Him be honor and eternal dominion. Amen.' (1 Tim. 6:15)

He alone deserves all the honor, glory, and praise for all He is to us, and what He has done for us! He deserves the greatest 'Thank You' Heaven and Earth could ever give! And He especially deserves it from us who have been saved by His loving grace, and who owe Him everything for all eternity!

Because of Jesus' triumphant sacrifice for us The Bible states, 'Therefore God has highly exalted him and bestowed on him the name that is above every name, so that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father. (Phil 2:9-11)

Every believer in the Lord Jesus Christ should sing and share His praises daily from a grateful heart and be thankful for all He has meant to us!

This Thanksgiving, let us be the loudest voices of gratitude and praise to the Lord Jesus Christ, our Eternal Sovereign, our Majesty, our King of kings and Lord of lords, our Redeemer and Friend... and say with all our hearts...**THANK YOU, LORD!**
