Hello everyone and welcome to 2023! We hope you all had a great Christmas and an end to 2022. Going forward in 2023 remember the CAREFUL model of Radiant Care- and to demonstrate behaviors in our relations with each other that are **Committed, Authentic, Respectful, Empathetic, Faithful, Unconditional and Loving.** Happy New Year!

Activity Update

Welcome to 2023! We hope you had a great Christmas and enjoyed the activities that were planned throughout the month of December.

We want to thank Joan King for organizing all the wonderful stockings that residents received on Christmas Day and to the NOTL Horticultural society for donating poinsettias to all the residents.

We are unfortunately starting the year off with an outbreak- so the activities will be based in small groups or one to one to start off the month. Later in the month we hope to celebrate a winter wonderland theme week with winter activities, decorations, and warm drinks! Wishing you all a wonderful 2023!

Preachers Ponderings

I find it interesting that we celebrate the new year in the darkest season. True, the pitch blackness of night is the best for fireworks. Those little sparks of light, short-lived as they are, provide a nice distraction to the gloom. The darkness of this season is also the time when we celebrate Epiphany, the revelation of Jesus as the light of world (Isaiah 60:1). His glory, of course, outshines and outlasts any of our attempts at making light. That glory is for us to see and to provide hope (Isaiah 49:6). May we continue in our hope in this One who is faithful to us, this Light to the Nations. And may that inspire us to reflect his light to those around us this year. God bless us all.- Mike

NEW YEAR RIDDLE

What comes once in a year,
twice in every month,
four times in every week?
