## Preachers Ponderings

In the church calendar, June begins with Trinity Sunday - a day to celebrate the triune nature of our God: Father, Son, and Holy Spirit. Living in community is difficult, at times. Our quirks and character traits sometimes grate on others and it's hard to get along. Yet we are called to live in harmony as the Apostle Paul says in 2 Corinthians 13:11. Our example of harmony is the Triune God where Father, Son, and Spirit, show love, leadership, grace, and submission to each other constantly. Some have described it as a beautiful, holy dance, where each

takes the lead while also following. The Triune God not only shows us the way but empowers us to do so with each other. Even more amazingly, we are invited to join that divine dance through Jesus Christ! May we come understand what true fellowship looks like; may we pursue harmony with each other; may we know the peace of love of God.
