Preacher's Ponderings

Living well in community calls for compassion for others. Frederick Buechner, author and preacher, wrote "Compassion is the sometimes-fatal capacity for feeling what it's like to live inside somebody else's skin. It is the knowledge that there can ever really be any peace and joy for me until there is peace and joy finally for you too." May we help each other, this month, to find peace and joy in the grace God gives to us all.

Meet Tamla - Social Worker

Greetings,

My name is Tamla Toy-Cripps. I am happy to announce my being a part of Radiant Care's Team as the Social Worker for residents in both Pleasant Manor and Tabor Manor.

About Me I migrated to Niagara Falls, Canada 13 years ago from Chicago, Illinois. I enjoy studying the bible and growing in God's word, riding my motorcycle and spending time with my family. Helping others is my passion as well as giving back to the community. I was able to do this by volunteering my time and talent to the church as a sign language interpreter at Broadview Baptist Church in Illinois. Thank you all for welcoming me into Radiant Care's family. Let the work begin!

Therapeutic Recreation Activities

This month we are starting a new exercise program called "Drum Fit". These classes involve residents drumming, using exercise balls and drumsticks, while following along with the instructors. This is a great program that is also a music social that encourages participants of all ability and mobility ranges to socialize and move together for brain and body health.

This month we have some special music. Starting with music with **Mendel**, who will be playing the piano and singing on the 7th. As well as music with Molly on the 11th.

Oktoberfest will be celebrated this month with music, pretzels, sausages, crafts and more!

Last month we celebrated everyone's birth countries! From making and eating roll kuchen, to making Portuguese tiles, to high tea from England to football from USA, it was a great two weeks - look at some pictures below!

Therapeutic Recreation Activities

Thank you to everyone who came out in August to join in on the watermelon and roll kuchen social! It was a great turnout and a beautiful day. A big thank you to tenant council who volunteered to help make 100's of pieces of roll kuchen and passing it out at the event! Another thanks to the Therapeutic Recreation staff and Bronwen in Dietary for also assisting in the roll kuchen making and watermelon cutting, and to Stephen and Jake Klassen for providing the outdoor music!

This month we have some special music. Starting with **Mendelt**, who will be playing the piano and singing on the 7th. Stephen will be providing a hymn sing on the 12th and 26th, and **Marty Allen** will be here to provide an outdoor concert (weather permitting) on the 19th.

Knitting club is starting up again on Wednesdays in the CV Link. Bring your knitting/crocheting/sewing projects as anyone can join!

Bingo will be every Monday and Wednesday night (except for the 27th). As per many requests, the bingo session will be extended longer to accommodate more games.
