### What is Roll Kuchen?

Roll kuchen is a traditional Mennonite treat. The direct translation of these is “rolled cookies”, though the term rolled cookies is a bit of a misnomer. They are indeed rolled, but they are certainly not cookies - they don’t even have sugar in them. Roll kuchen is a tasty, deep-fried pastry that is a wonderful accompaniment to cold watermelon on a hot summer day!

### Family Council

A Family Council meeting date has been set for August 21<sup>st</sup> at 2pm in the Oakview Chapel. Anyone who is interested being a part of Family Council is welcome to come!

### Preacher's Ponderings

The month of August carries us further into the Ordinary Time in the church calendar. Our Gospel readings in this month, all from John 6, focus on Jesus's teaching that he is the bread of life. As much as these words encourage us, they also challenge our perspective that the only source of spiritual, life-giving nourishment is Jesus - nothing else. The chapter ends with the disciples humbly responding saying, "Lord, to whom can we go? You have the words of eternal life." May we, like them, come to understand and put our hope in Jesus, the Giver of Life. In your desire to grow consider joining our Thursday morning chapel services as we explore this further.

## Meet Charlotte and Larry Klassen!

Over the past couple years, this amazing couple has kindly been putting their own money, time and effort into the corner garden and seating area by the Oakview apartments and the Garden Court homes.

We would like to show our gratitude to the couple for helping make our home look so beautiful and would also like to thank the other amazing people who have donated to them to help them continue to grow and make this garden a place that people can't wait to sit outside and enjoy!
