The Olympics Begin!

Friday, July 26 marks the beginning of the 2024 summer Olympics taking place in Paris, and we have planned a fun week to kick off this major event! We will participate in activities such as Olympic training exercises, javelin toss, baking gold medal cookies and having an Olympic award ceremony and social! While we are celebrating with these events, we will be sure to be keeping track of Canada's progress and medals over the course of the games!

Slurpee Day!

Every year the company 7/11 celebrates Slurpee Day on July 11th to match their name, and this year the girls thought it would be fun to bring everyone in on the fun! Keeping with the same date, the girls will be making different flavours of Slurpees for everyone here to test and enjoy in an outdoor social!

Preacher's Ponderings

I was challenged recently to reconsider the way we speak about aging. Often, it is centered on difficult challenges and coping with loss. But aging isn't a primarily a bad thing. Studies have shown that older people are actually happier than their younger counterparts! With more life experience comes deeper understanding, meaning and an ability to let go of the hangups and anxieties that plague us in the earlier stages of life. The readings for July begin with Paul's words in Ephesians, because we are united with Christ, we have received an inheritance from God, for he chose us in advance, and he makes everything work out according to his plan (Eph. 1:11). Remember this blessing and the experiences of God working in our lives and rejoice!

Happy July Birthday To....

Kay McLean...July 18

We are excited to have the **Marble Slab Ice Cream** Truck here again at Pleasant Manor on Tuesday, July 2nd! Recreation staff will take orders and there will be an ice cream social in the afternoon.

Here are the **flavours available**: Chocolate Swiss, Vanilla, Cotton Candy, Strawberry, Cheesecake, Peanut Butter and Vegan Vanilla.

Niagara Serve Project

Each summer, the Niagara Serve Project hosts youth from all over Ontario who come to the Niagara region because they want to share Christian compassion by serving others. The young people expect nothing in return; in fact, they pay for the opportunity to participate in this week-long mission trip.

We are delighted that a group of the Serve Project students will be coming to Pleasant Manor on July 15th and 16th. Creative and interactive times are being planned for our tenants and residents to connect with the youth.

Let us pray for God's blessing on the many young people and leaders who will take part in this mission trip and let us look forward to enthusiastically welcoming a group of them in July!
