## **Tabor Times**

*September 2024*

**We certainly have experienced a wonderful warm summer with lots of sunshine. The residents have enjoyed a variety of programs over the course of the summer, especially our strawberry, watermelon and peach socials, Olympic games and carnival day!**

**We would also like to thank everyone who continues to support our recreation department with purchasing perishky. It takes a lot of time and hard work to prepare for all the orders. If anyone is interested in helping us on baking days please let Norma or the recreation staff know, we would welcome your help!**

**Lastly, sharing with everyone in case you missed the recent communication memo. Radiant Care is approaching our next steps with pursuing accreditation for both of our Long-Term Care homes. Our survey will be conducted this month on September 23-24. We would like to thank our staff for all they do to serve our residents with excellence, love and dignity.**

A snapshot of our residents with Niagara College students engaged in a unique game!

Please join us for special musical guests the Sunshine Singers on Tuesday September 10th at 2:30pm in the Great Room.

**Resident Council Meeting**  
 Tuesday, September 24th at 2:30pm in the Great Room.  
 Hope to see everyone there!

**Perishky Orders**  
 Perishky will be available for purchase on:  
**Oct 9th & Oct 23rd**  
 Place your orders at the Welcome Desk.

**DID YOU KNOW?**

There is a **FAMILY & RESIDENT INFORMATION BOARD** on the first floor across from the bathrooms and Tuck Shop. Take a look for information posted about our Home!

## We Are Like Sheep! *Pastor Jim*

Researchers at the University of Cambridge discovered that sheep are much smarter than previously thought. In one study, the sheep passed an intelligence test that most monkeys flunk. During the test, sheep learned to recognize patterns in colors and to change their behavior when the patterns changed. They also learned to respond to shapes of objects instead of the color, something most large animals find very difficult. Despite their apparent intelligence, however, sheep seem to have a knack for getting themselves into trouble. They tend to follow the leader, even if that leader goes the wrong way. They sometimes wander, or flee in fright, and become separated from the flock. Lacking agility, they easily become trapped. Without much to defend themselves, they are an easy target for predators.

Despite our apparent intelligence...

**We're more like sheep than we want to admit.**

Like sheep, we seem to have the same knack. We tend to follow the crowd. We wander off the right path. We frighten easily. We trap ourselves by our own foolish choices. We have no defense, in ourselves, against the enemy of our souls.

Isaiah 53:6 states, 'All we like sheep have gone astray; we have turned—everyone—to his own way!'

Thankfully, Jesus has come to search for us. If we trust in Him, He will carry us back and set us on the right path. "For the Son of Man has come to save that which was lost" (Matthew 18:11).

Jesus also said; 'I am the good shepherd. The good shepherd lays down his life for the sheep...I am the good shepherd. I know my own and my own know me...My sheep hear My voice, and I know them, and they follow Me; (John 10:11,14, 27)

**Aren't you glad we have The Good Shepherd who saves us,  
and watches out for us every day...forever!**
