## Thanksgiving Lunch!

This month is Thanksgiving, and the kitchen will be preparing a proper Thanksgiving meal on October 11<sup>th</sup>! At lunch you can expect to see a traditional turkey meal with all the fixings.

## Preacher's Ponderings

Traditionally, October's focus is on Thanksgiving, a time of celebration and gratitude for how God sustains us. In our bible readings for October, we draw from Hebrews which states how God has spoken to us through Jesus, through whom he created and sustains everything. Jesus radiates God's own glory and expresses the very character of God. In our chaotic world and the struggles of life, may we be recognizing and give thanks to the one who created us, who sustains us, and who reveals to us the overwhelming grace of God.
