Preacher’s Ponderings

November brings the church calendar year to an end with the last Sunday of the month, the celebration of the Reign of Christ. This recognition of Christ and his coming kingdom is what rejuvenates us, giving us a hope to hold on to. John says in Revelation, Look! He is coming with the clouds and every eye will see him! The political, economical, environmental uncertainty within our global community certainly gives us cause to distress. But it the coming Jesus that gives us hope and strength to endure. “To him who loves us and freed us from our sins and by his blood, and made us a kingdom, priests serving his God and Father, to him be glory and dominion forever and ever. Amen!

Prayer for Remembrance Day by Marianne Griffin

For those who were killed in battle
For those who gave up their lives to save others
For those who fought because they were forced to
For those who died standing up for a just cause
For those who said war was wrong
For those who tried to make the peace
For those who prayed when others had no time to pray
For those creatures who needlessly die
For those trees that needlessly are slaughtered
For all of mankind, let us quietly pray:
May God hold them in peace
May Love flow over the Earth and cleanse us all
This day and for always.
