Welcome 2025!

We hope everyone had an amazing holiday season and can look back on 2024 with good memories... We are looking so forward to another year full of fun activities, meeting new people and experiencing new things!

Happy New Year!!

Some photos of our Christmas activities...

Thank You!

Thank you to everyone who donated last month to our food drive. We not only filled the entire bin but had many full bags all around it as well!

It was so amazing to see people give back during the holiday season and the Newark Neighbor's food drive was so appreciative of all that was donated!

Preacher's Ponderings

As I look towards this new year, I've been wondering what it's going to be like. What good things will come about? What challenges will I face? How will I grow in maturity and faith? There is a certain mystery to it all. In Ephesians 3 Paul writes of a different mystery, that of Christ. The mystery is that we now share in the promise of Jesus through the gospel which makes my year certain of this one thing, that all centers on Christ. No matter what I face, I will do so with Jesus. No matter where I go, Jesus will already be there. My faith and character will only mature as I embrace this understanding. May God continue to reveal this mystery to you this year.
