Preachers Ponderings

This year, it is April that holds the retelling of the fulfilment and crowning achievement of God's revelation through Jesus. Through it we are reminded of how God dealt with the injustice and death dealing systems of the world (including our own). Unlike the rulers of today, Jesus' victory came not in bravado, or executive order, or imposing his will on others. Rather he took his seat of power by serving the world in an act of sacrificial redemption, his throne being the cross. And because of this our hope for our futures was secured. (Galatians 3:13-14). So, while the world around us fears in uncertainty may we be a people of peace finding our consolation and rest in the one redeeming the world to himself. And may we encourage one another to trust in the God who was, who is, and who is to come.

~ Michael Dyck, Spiritual Life Lead

Meet Vashnavi Bhanot- Nutrition Manager

I am originally from India, where my close-knit family continues to reside. I relocated to Canada in May 2022 to pursue a certificate in Food and Nutrition Management at Georgian College in Barrie, where I lived for two years. In May 2024, I moved to Niagara Falls and assumed the role of Assistant Nutrition Manager at both Tabor Manor and Pleasant Manor, where I support both the dietary and environmental services departments. I am now thrilled to bring my knowledge and experience to Radiant Care, with the goal of contributing to its ongoing success. I have a passion for baking, which serves as a creative outlet for me. I also enjoy traveling, especially exploring new places, cultures, and cuisines, with Tokyo being at the top of my travel list. I look forward to further contributing to Radiant Care's success and continuing to grow professionally within the organization.

"He is not here; he has risen, just as he said"

Hello all, I wanted to take a moment to reintroduce myself as I transition into my new role. As some of you may know, I was the Nutrition Manager at Pleasant Manor, and I am now stepping into the role of Administrator of Long-Term Care for both Tabor and Pleasant Manor. In this new position, I will be supporting the Nursing, Nutrition, and Therapeutic Recreation departments, ensuring that we continue to provide the highest quality of care for our residents. Though my role has expanded, I will still be on-site on alternating days throughout the week, and I look forward to maintaining and strengthening the relationships I've built with residents, families, and team members. I am excited to continue working together in this new capacity, and I'm eager to contribute to the ongoing success and well-being of our community.

Thank you for your support, and I look forward to this next chapter!" ~ Bronwen Hadfield, Administrator Long Term Care
