Meet Miriam

I'm excited to join the team as the Nutrition Manager. I bring with me a strong background in the food industry, having worked in hotels, wineries, breweries, and as a manager at the Irish Harp. I'm also a Red Seal Chef, and during the pandemic, I took the opportunity to further my education by earning my Nutrition Manager diploma. Outside of work, I love spending time with my family. I have two kids, a 5-year-old daughter and a 9-month-old son. My husband is also a chef, currently working at Tabor Manor. I was born in Holland and speak Dutch. I'm passionate about all types of food and have a sweet tooth! I look forward to getting to know all of you and working together.

Hands on Exotics

Join us on safari and meet a variety of exotic creatures from around the globe! The 8-10 animal-lineup focuses on smaller exotic animals such as birds, reptiles and mammals. Hands on Exotics will be here on May 14.

Dog Therapy Returns!

Meet Sasha and her owner Sharon! They will be coming in every Saturday morning. Dog therapy visits involve therapy dogs and their handlers visiting individuals to provide emotional support and companionship. The goal is to foster a sense of comfort, reduce stress, and improve overall well-being through the human-animal bond.

Preacher's Ponderings

This month, our political leadership will be challenged with leading a deeply divided country all the while facing challenges within the geo-political climate. For the average person this may generate a deep anxiety and fear for the future. Yet for Christians, this month is a continuation of the celebration of Easter, the display of God's power and authority in the death and resurrection of Jesus. The month ends with the Ascension of Jesus Christ and his ongoing work of redeeming creation. As Christians, we are called not to fear but to follow his example of servant leadership trusting in his sovereignty, righteousness, and justice using 2 Timothy 1:7 as our guide: "He has not given us a spirit of fear, but of power, love and sound mind." ~ Michael Dyck, Spiritual Life Lead

Walk for the Alzheimer's Society

Join us on **Wednesday May 28** between 10am -11:30am for a walk around Pleasant Manor in support of the Alzheimer's Society. A route will be setup around the property and begins and ends outside the main office. Coffee and treats from Tim Hortons will be provided with any size donation. Donations to the Alzheimer's society can be made and brought to the main office between May 22-29, and a donation box will be outside during the event. It is estimated that 11,099 people in Niagara are living with dementia. Together with the support of the community and the Alzheimer Society **no one with dementia has to walk alone!** Last year we raised close to \$2,000 - lets see what we can accomplish this year!
