

Niagara Serve Project

Each summer, the Niagara Serve Project hosts youth from all over Ontario, who come to the Niagara region because they want to share Christian compassion by serving others. The young people expect nothing in return; in fact, they pay for the opportunity to participate in this week-long mission trip.

We are delighted that a group of the Serve Project students will be coming to Pleasant Manor on July 15th and 16th. Creative and interactive times are being planned for our tenants and residents to connect with the youth.

Let us pray for God's blessing on the many young people and leaders who will take part in this mission trip and let us look forward to enthusiastically welcoming a group of them in July!

Preacher's Ponderings

For much of the month of July, the lectionary focuses on the New Testament book of Colossians. In it we find the beautiful song of Christ, a hymn of sorts that describes the nature and character of Jesus. The very first line is, "Christ is the visible image of the invisible God." (1:15) What an incredible statement! There are so many caricatures of God: angry, distant, vindictive. Yet, what we see in Jesus is not that at all. Rather we see in Jesus the God who creates, loves, extends mercy and grace, and above, one who wants to be known by us. The last line summarizes it this way: "He made peace with everything in heaven and on earth by means of Christ's blood on the cross." (1:20) May that crucial word guide us through this month: God is God of Peace.

Resident Based Activities

Each month, we highlight a special activity inspired by a resident's personal history and interests.

In May, we enjoyed a fascinating slideshow presentation showcasing one resident's unforgettable trip to Africa. This month, we're turning our attention to a resident's love of baking, featuring their cherished butter tart and shortbread recipes in a deliciously nostalgic program.

Do you have a recipe, travel story, poem, or photos you'd like to share? We'd love to hear from you and share!

Please reach out to the Recreation Department to get involved.
