### Preacher's Ponderings

In the church calendar, June marks the season of Pentecost and the giving of God's Spirit to his people. It is both a comfort to us as individuals, God's presence in our lives, and also an empowering of community as the formation of the Church. But more so, it is the promise of God's presence with and in us. Saint Hildegard von Bingen writes, "I am the fiery life of the Divine essence: I am flame above the beauty of the fields; I shine in the waters; I burn in the sun, the moon, and the stars. And, with the airy wind, I quicken all things vitally by an unseen, all-sustaining life." May we experience the life giving presence of God's spirit and be strengthened in our faith.

### Meet Jane Durotoye - Director of Care

My name is Jane Durotoye.

I am truly excited to join this amazing team and contribute to making a meaningful impact in the lives of our seniors as the new Director of Care. I bring with me a wealth of experience rooted in my nursing background, particularly in geriatric care.

I have had the privilege of serving in a supervisory RN role for over four years at one of the Region of Peel's long-term care facilities. I have also spent seven rewarding years as a Community Care Coordinator (Case Manager) with Alberta Health Services, supporting individuals in the community and facilities.

In addition to my clinical background, I hold a degree in Ministry and Counseling from Alberta Bible College. I look forward to supporting our spiritual care team and residents as they navigate their spiritual journeys, in alignment with Radiant Care Home's core values.

I am passionate about caring for seniors and enjoy spending time with them. In my free time, I love reading, sightseeing, and visiting farms - I have a deep appreciation for farming and the outdoors. I'm looking forward to getting to know each of you and working together in this meaningful service to humanity.

Jane can be reached at ext. 3229 and [janed@radiantcare.net](mailto:janed@radiantcare.net)
