Welcome 2026!

As we all settle into our newly opened long-term care home, it's wonderful to see so many familiar faces bringing warmth, laughter, and a sense of belonging to our new space. While the building may be new, the heart of our community - our residents, families, and staff - is already well known and deeply valued.

In the weeks ahead, we will all be welcoming new residents, team members, and visitors who will be joining our growing community. Each new person brings their own story, and together we look forward to building friendships, sharing experiences, and creating new memories.

This move marks a fresh beginning for all of us - combining the comfort of familiar connections with the excitement of new opportunities.

Thank you for helping make this new home feel welcoming, supportive, and full of life.

Thank You!

Thank you to everyone who donated last month to our food drive. We not only filled the entire bin but had many full bags all around it as well! Also we give a big thank you to the community partners such as Niagara-on-the-Lake Horticulture Society for donating poinsettias, Joan King and the NOTL community for donating all the stockings full of gifts that each resident received!

Preacher's Ponderings

As I look towards this new year, I've been wondering what it's going to be like. What good things will come about? What challenges will I face? How will I grow in maturity and faith? There is a certain mystery to it all. In Ephesians 3, Paul writes of a different mystery, that of Christ. The mystery is that we now share in the promise of Jesus through the gospel which makes my year certain of this one thing, that all centers on Christ. No matter what I face, I will do so with Jesus. No matter where I go, Jesus will already be there. My faith and character will only mature as I embrace this understanding. May God continue to reveal this mystery to you this year.
