

"He is not here; he has risen, just as he said"

- Matthew 28:5-6

Preachers Ponderings

The month of April is set aside for the celebration of Easter. How great is that?! Four weeks of celebrating our Risen Saviour who revealed his power and victory over the death and sin itself. As the hymn is sung, "We serve a risen Saviour, He's in the world today." As Jesus shines his light in this world of darkness, may we also reflect it in our way of serving Him and each other.

On that note, I want to welcome to our Chaplaincy Team, Stephen Mason. Stephen comes with a heart of compassion and service as many of you know already. We are so grateful to have him. Please remember pray for him and the entire chaplaincy team.

Residents Council and Family Council

Last month, Residents' Council highlighted current events and reviewed the Radiant Care Quality Improvement Plan for the year. Residents shared that they thoroughly enjoy the musical performances by Mendelt and expressed interest in having him return more often. Upcoming bus trips and outing ideas were also discussed—please refer to the upcoming calendars and newsletters for full details. Residents' Council is held on the first Thursday of every month for residents only.

Family Council meets monthly, with the next meeting scheduled for April 15 at 6:30 p.m. in the Great Room. Family Council provides an opportunity for family members to come together, share feedback, discuss ideas, and collaborate with staff to enhance the quality of life and care for residents. It is a supportive space where families can stay informed, ask questions, and be actively involved in the home community.

If you would like to read the minutes for both councils, they can be found in the Resident Resource Binder located in the front lobby.

Walker Repair Clinic

Do you have a walker that needs repair or a tune-up? A representative from Hauser's Mobility will be available in the OV Chapel on April 23rd from 1:00–3:00 PM to assist with minor repairs and adjustments.

This is a great opportunity to ensure your walker is safe, comfortable, and functioning properly. Drop in during this time to have your equipment checked and serviced—no appointment necessary.
