Tabor Times

April 2026

April is here, bringing us longer days, brighter sunshine, and a fresh sense of renewal. As we welcome spring, it's a wonderful time to enjoy the changing season, whether it's listening to the birds return, soaking up a bit a warmth by the window or noticing the first blooms.

This month we look forward to celebrating Easter, with our Chaplin's hosting a Easter Service on Good Friday at 10:00am in the Great Room.

We are also planning a bus outing to Betty's Restaurant, and are super excited to have a unique hands-on experience with a visit from Hands On Exotic Animals. It's a great opportunity to meet and learn about all their animals, and maybe even get to hold a few furry or scaly friends!!!

Be sure to check your calendars for dates and details for all upcoming events. We hope you'll join us as we kick off the start of spring.

Let us rejoice in the miracle of Easter and celebrate the resurrection of Jesus. May the hope and joy of Easter fill your heart with renewed faith and blessings.

Seeding is underway for our courtyard gardens!

April is Parkinson's Awareness Month, a time to highlight and learn more about the challenges faced by those living with Parkinson's disease and to support those who live with it.

Parkinson's can make it hard to move, walk, and keep balance. While there is no cure, exercise is one of the most powerful tools to help people feel better and stay active longer.

Simple activities like walking, stretching, or light exercises can improve strength, flexibility, and balance. Even a little movement each day can make a big difference.

In our home, we encourage everyone to join in activities that promote movement, whether it's an exercise class, balloon tennis or a short walk, every bit helps.

This April, let's support each other and remember—keep moving, keep strong!

HAPPY EASTER

**Next meeting Tuesday,
April 21st 10:00am,
Great Room.

welcome and
encouraged to attend.**

Jesus Christ, The Perfect Renovator! *Pastor Jim*

Have you ever been through major house renovations? We are now in the process of having our basement restored from major water damage from a crack in the foundation! We are also having our kitchen completely renovated at the same time! That's right, crazy or what! Actually, the kitchen project was booked a while ago...the basement leak was not!

These projects have reminded us of what it takes to restore a house and even make it like new. You can't just paint over rust, or drywall over rot! We have had walls and carpets removed. We have had pipes inspected and replaced. And once all the damage has been found, and the source sealed, it will then be time to replace the old with the new! To really restore or remodel a home, you have to tear down and clear out the old and damaged to make room for the new.

A New Creation in Christ!

The message of the Good Friday and Easter Season is all about restoration and renewal! Jesus Christ came into this sin-filled, rebellious, satanic world to clear out the damage and rot of sin in the world, and in our lives. The Apostle John said that Jesus appeared, 'in order to take away sins'...and that...'The Son of God appeared for this purpose, that He might destroy the works of the devil!' (1 John 3:5,8)

On Good Friday Jesus paid the price, on Calvary's Cross, to cancel sin's power and destruction for all those who turn to Him for deliverance and salvation! Scripture says; 'the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord!' (Rom. 6:23) Jesus Christ is the only One who can completely clear out the ravaging damage of our sinful, spiritually rotted lives!

Easter tells us that He not only clears out the old life controlled by sin, He brings the new life of godliness as well! Jesus said, 'I have come to give you life, and life to the fullest!' (John 10:10) The Resurrection of Christ demonstrates His power and love to give a new life to everyone who believes in Him. The Bible says, 'If anyone is in (has a personal relationship with Him) Christ, they are (have become) a new creation, old things have passed (are passing), and new things have come (are continuing to come)!' (2 Cor. 5:17) That's what I call a complete restoration!

Christ Jesus does not just cover up the old life, He clears it out and replaces it with a new life! And He can/will renovate your life...He awaits your call!

And when He starts a new work in you He will bring it to completion unto the day of His return!' (Phil. 1:6) And when He returns, He will even make all of heaven and earth new too! (Rev. 21:5) Even so, come Lord Jesus! Remember:

Jesus is the Perfect Renovator! Call Him Today!

This is My Father's World

This is my Father's world, the birds their carols raise, the morning light, the lily white, declare their Maker's praise.

What fitting words as we enjoy the much-anticipated beginnings of springtime. And how reassuring it is to know that the Lord, the One who brought all things into being, also cares for his creation deeply. He knows the most minute detail of every bird, flower, tree, and field. And amid the interaction between Creator and creation, he also speaks to us, by His Spirit, words of love and light. As the hymn declares, He speaks to me everywhere. I think this is part of the wonder, awe, and inspiration of being part of our Father's world.
