## Distinguished Spellers Showcase

Hi! My name is Katelyn Boland, and I am a student at Niagara College. I've been volunteering here at Tabor Manor to help further my knowledge in Recreation Therapy. Recently I held a spelling bee event, where we tested our spelling skills and everyone had a lot of fun. We had many participants and I would like to thank all of you for all your smiles and kindness as I tried something for the first time for myself and for you! Everybody did amazing! I am so grateful for such a wonderful group of people that made my experience here at Tabor one I won't forget.

The secure courtyard and terrace doors are now open from 7:00 am until 9:00 pm as per our outdoor policy. These doors are now unlocked for the warmer weather until mid November. Meaning you can just push the doors open or use automatic door opener and do not need to use the code on the key pad.

Wishing all the lovely mothers, and grandmothers a wonderful Mother's Day on May 10th.

HAPPY  
*Mother's Day*

## **Jesus Is Coming! *Pastor Jim***

Once when I was driving through downtown Toronto, I passed a large billboard church sign that said, '**JESUS IS COMING!**' The sign also said, 'Call Jim', and then gave the church's phone number. I smiled at both, the truth that 'Jesus is Coming Again', and then the encouragement to call Jim, as if he seemed to know when!

With all the struggles and conflicts happening throughout the world today, many are wondering where it's all leading. Are we headed for another world or nuclear war? Unfortunately, things will get much worse! Will there be someone to lead the world from chaos to peace?

The answer is **YES!** The Church sign was right...**JESUS IS COMING!**

When He does, the Bible says the world's evil leaders will, 'make war on the Lamb, and the Lamb will conquer them, for He is Lord of lords and King of kings, and those with Him are called and chosen and faithful.' (Revelation 17:14) Jesus, The Prince of Peace will be victorious...and so will His true disciples!

Unlike the church sign, we don't need to 'Call Jim' to find out when all of this will happen! The Bible makes it clear that one day (and no one knows when), Jesus also promises to return to Earth and bring to Himself those who have turned to Him in repentance and faith. Jesus said, 'I go to prepare a place for you. And if I go (and He did), I will come again and bring you to myself, that where I am, there you will be also! (John 14:3)

How will this happen? 1 Thess. 4:16-18 states;

'For the Lord Himself will descend from heaven with a cry of command, with the voice of an archangel, and with the sound of the trumpet of God. And the dead in Christ will rise first. Then we who are alive, who are left, will be caught up together with them in the clouds to meet the Lord in the air, and so we will always be with the Lord. Therefore, encourage one another with these words.'

So be encouraged! No matter what evil may come in this world, Jesus will return to receive His true disciples, vanquish the evil armies of the world, and reign forever as King of Kings, and Lord of Lords!

Rest assured, The Lord Jesus Christ will have the final word on all of history, and eternity!

Friends, let's make sure we're ready. The sign was right! **Jesus Is Coming!** And what a glorious day that will be!

***EVEN SO, COME QUICKLY, LORD JESUS!***

## **Harvest His Blessing**

*Daily Bread - Leviticus 26:11*

Alan is a fifth-generation fruit farmer who manages his family's cherry, peach, and apple orchard. Over the years, his family has perfected growing trees with maximum yield. They've carefully planted saplings for the future, put up a deer fence, and invested in special fans that help keep the air warm when frost threatens their crops. Even so, they're never assured of a good harvest. Factors like weather, pollinators, and disease are beyond their control.

Yet all of nature is under God's control. He knows we need physical provision like healthy crops, but He encourages us to look even higher to the ultimate good—Himself. The book of Leviticus contains decrees that God gave the Israelites governing everything from sacrifice and worship to relationships and criminal justice. Obeying His direction would lead to blessing, including provision of a bountiful harvest (26:3-4), but disobedience would result in a curse, where their enemies would enjoy the fruit of their labor (v. 16). More than just plentiful crops (v. 10), God's blessing included a promise to dwell with His people (v. 11) and look on them "with favor" (v. 9).

The Israelites messed up again and again. So will we. But we can repent, submit, and turn back again to enjoy the gift of His presence (vv. 40-42), manifested in Jesus and now expressed through the Holy Spirit.

In Leviticus 26, God promised His people that obedience to His commands would result in their land flourishing with abundant harvest and peace from war. The most significant promise is found in verse 12: *"I will walk among you and be your God, and you will be my people."* At the same time, the chapter warns that rejecting God's ways would result in famine, defeat in war, and eventually exile from God's land and presence (vv. 14-35). Yet God assured them that, even then, if His people repented, He'd *"remember [His] covenant"* (v. 42) with them and bring restoration. Because of God's faithfulness (v. 44), there'd always be a path back to His presence. The same is true for us today. When we confess our sins, we can enjoy the gift of His presence.

## To Make a Prairie (1779)

To make a prairie it takes a clover and one bee,  
One clover, and a bee.

And revery.

The revery alone will do,

If bees are few.
